

TYPHOON **RECOVERY** UPDATE

DIVISION OF PUBLIC HEALTH

NORTHERN REGION COMMUNITY HEALTH CENTER **RE-OPENS WITH EXTENDED HOURS**

SOUTHERN REGION COMMUNITY HEALTH CENTER (SRCHC) **CARE CONTINUES**

As Guam continues recovery efforts following Typhoon Bavi, the Department of Public Health and Social Services announces that the **Northern Region Community Health Center** has resumed services and is offering extended walk-in hours through Friday, July 17, 2026.

Extended hours are available from **6:00 a.m. to 8:00 a.m.** and from **5:00 p.m. to 7:00 p.m.** for non emergency medical concerns and follow up care.

New patients and walk-ins are welcome.

Regular clinic services will continue from 8:00 a.m. to 5:00 p.m. Some routine and preventive services may need to be scheduled during regular clinic hours based on the patient's needs and the availability of services.

The **extended hours are available** this week to provide **additional access to care** during the **recovery period**.

Patients experiencing a medical emergency should call 911 or go to the nearest emergency room. DPHSS appreciates the community's patience and cooperation as recovery efforts continue.
