**Bidder No.: 2 inquiry dated 06/09/2022:**

**QUESTION:**

1. This is to signify our interest to participate in the IFB No. GPA-040-22'

However due to control measures being implemented in the South Korea and some other countries to prevent the spread of pandemic, even though most pandemic-related mandates were lifted in Guam

We could not fully outsource from local manufacturers in the worldwide to meet bid requirement economically and submit bid documents to Guam before June 15.

In this regard we would like to request to possible extend the deadline on July 06, 2022.

Your kind acknowledgement and reply would be highly appreciated.

Be safe and best regards.

**ANSWER:**

Yes. Kindly refer to No. 1 of **CHANGES** above.

**Bidder No.: 1 inquiry dated 06/09/2022:**

**QUESTION:**

1. Bidder No.: 1 would like to request an extension of the delivery time for this IFB.

Cummins Engine Company has informed Bidder No.: 1 that due to a shortage of supplies globally, the lead time for this part is currently 150-180 days. That could change from week to week, and not for the better.

Estimating the delayed production and shipping time to Guam, via OCEAN due to the components' weight, Bidder No.: 1 requests that the delivery time be extended to 30 Weeks ARO.

Bidder No.: 1 is the sole Cummings Dealer for the region and will only supply Genuine Cummins Parts. We believe that it is in the best interest of the Authority to grant this request.

**ANSWER:**

Kindly refer to No. 1 and 2 of **CHANGES** above.

All other Terms and Conditions in the bid package shall remain unchanged and in full force.
