Examination of RFP Documents: PROPONENT shall examine the RFP Documents to inform himself of all conditions and requirements for the execution of the proposed work. Ignorance on the part of PROPONENT of any part of the Request for Proposal will in no way relieve him/her of the obligations and responsibilities assumed under the Contract.

Interpretation of the Approximate Quantities: PROPONENT'S attention is called to the fact that any estimate of quantities of work to be done and materials to be furnished under the Contract as shown on the Technical Requirements Section or elsewhere, is approximate only and not guaranteed. OWNER does not assume any responsibility that the final quantities shall remain in strict accordance with the estimated quantities, nor shall PROPONENT plead misunderstanding or deception because of such estimate of quantities or of the character, location of the work or other conditions pertaining thereto.

Familiarity with Laws: PROPONENT is assumed to be familiar with Federal and Local laws, ordinances, rules and regulations that in any manner affect the work. Ignorance on the part of PROPONENT will in no way relieve him/her from responsibility.

The preparation and submission of a proposal will be by and at the expense of the PROPONENT.

## **1.5 EXPLANATION OF PROPONENTS**

No oral explanation in regard to the meaning of the specification will be made and no oral instructions will be given before the award of the proposal. Discrepancies, omissions, or doubts as to the meaning of the specifications must be communicated in writing to the named contact individual of the Guam Power Authority requesting for interpretation. PROPONENT should act promptly and allow sufficient time for a reply to reach them before the submission of their proposals. Interpretation, if required, shall be made in the form of an amendment to the
