

## **NOTICE TO REJECT ALL BIDS AND CANCEL SOLICITATION**

**December 30, 2021**

### **GVB IFB 2022-001**

#### **Tumon Bay Streetlight Improvement Upgrade: San Vitores Boulevard and JFK Road**

The Guam Visitors Bureau issued GVB IFB 2022-001 Tumon Bay Streetlight Improvement Upgrade: San Vitores Boulevard and JFK Road on October 18, 2021 and the deadline to submit bids was on November 29, 2021.

Pursuant to 2 GAR, Division, 4, Chapter 3, §3115(d)(2)(A)(iv)(B), GVB is rejecting all bids because prices exceed available funds and it would not be appropriate to adjust quantities to come within available funds.

Therefore, in my capacity as Chief Procurement Officer for GVB, I have determined that it is in the best interest of the territory of Guam and GVB to cancel this solicitation to allow for review of, revision and re-issuance of a solicitation at a future time as provided for in 2GAR, Division 4, Chapter 3, §3115(d)(1)(D)(iii).
