*** 1. Introduction**

The Guam Power Authority (GPA) is inviting qualified firms to participate in a Multi-Step Bid for the Fadian Public Access Parking Lot Solar Canopy Design and Construction funded through a grant from the U.S. Department of the Interior Office of Insular Affairs.

The Technical and Price Proposals shall be submitted on or before the Cut-Off Date for Receipt of Proposals specified in *Table 1: Bid Milestones*. The bid evaluation shall be a two-step process. Step One will involve evaluation of the Technical or Qualitative Proposals (Non-priced Technical Offers), and the establishment of a Qualified Bidders List (QBL) based on acceptable submitted Technical Proposals. Step Two will involve the evaluation of Price Proposals (Priced Offers) from the BIDDERS identified on the QBL. Price Proposals for unqualified BIDDERS shall be returned, unopened, after the Technical Proposal Evaluation. GPA will perform a comprehensive evaluation of each proposal and select the BIDDER with the best proposal based on the submitted Price Proposal Evaluation Workbook Sheet. If the selected vendor cannot proceed with the Contract, GPA may elect to go to the next best BIDDER or cancel the bid.

Table 1: Bid Milestones indicates the projected start and end dates for the milestones in the Bid Process. **GPA reserves the right to change the Bid Milestones at its sole discretion.** BIDDERS are encouraged to confirm with GPA any of the scheduled milestones via an official letter to GPA.
