Invitation for Bid (IFB) Document Organization

Invitation for Bid (IFB) documents are organized into six separate volumes, as follows:

- Volume I — Commercial Terms and Conditions
- Volume II — Technical and Functional Requirements
- Volume III — Facility Technical Description
- Volume IV — Contract
- Volume V — Appendices
- Volume VI — Schedules

In addition, the IFB documents include two (2) sets of electronic spreadsheets (MS Excel Workbooks):

- Qualitative Proposal Scoring.xls
- Price Proposal Evaluation.xls.

1.1. Project Overview and Scope

The Guam Power Authority is soliciting proposals for technical services from qualified firms for the on-site management of the operations and maintenance of the Guam Power Authority Fuel Bulk Storage Facility. The required services include compliance with all applicable local and federal laws, membership with a qualified and certified oil spill response organization (OSROCO, etc.), technical capability to periodically review and update applicable response plans, qualified personnel to manage and operate the facility in a safe

-Refer to **REVISED** Bid Milestone above.

All other Terms and Conditions in the bid package shall remain unchanged and in full force.

MELINDA R.C. MAFNAS, P.E.
General Manager (A)

- Compliance with oil spill and recovery provisions of OPA 90 Act;
- Purchase, maintain and operate/deploy materials and equipment as identified in the Facility Spill Response Plan and SPCC Plan.
- Record keeping and submittal of all pertinent documents to GPA.
- Other Responsibilities and Duties as cited in the Invitation for Bid Documents.

The CONTRACTOR should be a bona fide and active member of a qualified and certified oil spill response company on Guam. Otherwise, the CONTRACTOR must secure an oil response service contract with a qualified oil spill response company within thirty (30) days after contract award. A copy of subject contract must be provided to GPA within 30 days of award.

The Technical and Price Proposals shall be submitted on or before the Cut-off Date of Receipt of Proposals as specified on Table 1: Bid Milestones.

The bid evaluation shall be a two-step process.

Step One will involve evaluation of the Technical or Qualitative Proposals (Un-priced Technical Offers), and the establishment of a Qualified Bidders List based (QBL) based on acceptable submitted Technical Proposals. Step Two will involve the evaluation of Price Proposals (Priced Offers) from the bidders identified on the QBL. Price Proposals for unqualified bidders shall be returned, unopened, after the Technical Proposal Evaluation. GPA will perform a comprehensive evaluation of each proposal and select the BIDDER with the best proposal based on the submitted Price Proposal Evaluation Workbook Sheet. If the selected vendor cannot proceed with the contract, GPA may elect to go to the next best BIDDER or cancel the bid.

Table 1: Bid Milestones indicate the projected start and end dates for the milestones in the Bid Process. **GPA reserves the right to change the Bid Milestones at its sole discretion.** Bidders are encouraged to confirm with GPA any of the scheduled milestones via an official letter to GPA.
