INVITATION FOR BID GSWA-006-24 95-GALLON ROLL-OFF TRASH CARTS

Questions and Concerns received from CRW Trading, Inc. on March 25 & 26, 2024

1. We just got done reviewing your bid requirements and noticed that there is no quantity listed for Item 1 on bid sheet. We also noted that there may be need for multiple containers. See below. *GSWA expects to place an order for said goods immediately upon approval of a contract based on this bid. Delivery for the carts by the successful vendor will be in a forty-five (45) foot container to the GSWA facility. These carts will remain in the overseas container until they are delivered to GSWA and immediately placed in GSWA storage area. Is it possible to share estimated number of cars or minimum number of carts that you will be needing?*

Response: For item 1, GSWA intends to procure one (1) forty-five (45) foot container of trash carts which we estimate could accommodate approximately 440-500 carts. Bidders are to indicate the exact number of carts they can supply within a 45-foot container in the bid sheet. See Amendment No. 1.

2. For Item 2 (7 x 95-gallon Bear-Proof Trash Carts), please confirm if this should be included in the first 45' container.

Response: This is not required to be included in the first 45-foot container.

Irvin L. Slike,
General Manager
