INVITATION FOR BID GSWA-006-24 95-GALLON ROLL-OFF TRASH CARTS

Questions and Concerns received from USA Contractors, Inc. on April 3, 2024

1. Cart must be 44.7 inches tall, 30.1 inches wide, and 35.8 inches deep. Our bear carts are 42.75 inches tall, 30.25 inches wide, and 34.5 inches deep. Would GSWA accept this particular alternative?

Response: Yes. Refer to Amendment No. 3.

2. Cart must be rotationally molded and made from LLDPE polyethylene with post-recycled content. Bear carts are injection molded with a thermoform lid and the cart bodies are made from HDPE material. Is this acceptable with GSWA?

Response: Yes. Refer to Amendment No. 3.

3. Cart must have double-wall molded construction for strength on lid and upper section of cart. Our bear cart has a double wall on lids only. Is this acceptable with GSWA?

Response: Yes. Refer to Amendment No. 3.

4. Cart must be covered by a five (5) year limited warranty. Will GSWA accept a 3-year warranty?

Response: Yes. Refer to Amendment No. 3.

Irvin L. Slike,
General Manager
