June 17, 2024

AMENDMENT NO.: II

TO

INVITATION FOR BID NO.: GPA-087-24

FOR

LAPTOPS

Prospective Bidders are hereby notified of the following response to clarification of Amendment No.: I from Bidder No. 4 dated June 14, 2024:

QUESTION:

1. Item A.7 revised Bid Form Page 4a of 35 indicates "orts: 1x RJ-45 Ethernet port, 2x Thunderbolt 4 (USB-C 3.2) ports, 2x USB-C ports, 1x HDMI 2.0 port, 1x Universal audio port." This specification for a total of 4 USB-C ports appears to contradict GPA "Yes" response to Question 4c: 'Is GPA requesting a configuration of 2x Thunderbolt 4 OR USB-C 3.2. Further, a 4x USB-C port configuration is not standard for the enterprise-class laptops requested in Item 1.0.

- a. Please confirm, for Item 1.0 Specification A.7, is GPA requiring either 2x Thunderbolt 4 ports, OR 2x USB-C 3.2 ports (total of 2 USB-C ports)?

ANSWER:

This is to confirm, GPA's requirement is for 2x Thunderbolt ports and 2x USB-C ports a total of 4x ports.

All other Terms and Conditions in the bid package shall remain unchanged and in full force.

 JOHN M. BENAVENTE, P.E.
