INVITATION FOR BID GSWA-009-24 STATIONARY COMPACTORS & ROLL-OFF CONTAINERS

Questions and Concerns received from Guahan Waste Control, Inc. on July 12, 2024

1. I have a question on Terms and Conditions #42 Liquidated Damage, will this include parts being ordered? This would refer to spare parts for the compactors. If we need to hold a lot of expensive parts on the shelf in order to avoid any future liquidated damages, that will need to be incorporated into the pricing.

Response: No additional parts or services are required beyond those explicitly stated in the specifications.
