INVITATION FOR BID GSWA-010-24 MOBILE CAR CRUSHER

Questions and Concerns received from EZ Crusher on July 26, 2024

1. The price of a portable car crusher varies on which model you are looking into owning. Do you know which model would suit your needs in Guam???

Response: OverBuilt, Diamond Z, and Al-Jon produce models that generally fit the specifications given. If a particular model is somewhat deficient of the specification ranges given, please identify and describe how that similar feature would be considered compliant.

Engine specifications must be Tier 4.
