INVITATION FOR BID
GSWA-015-24
BIODIESEL PRODUCTION EQUIPMENT

Questions and Concerns received from Springboard Biodiesel on August 25, 2024

1. As the CEO of Springboard Biodiesel, I am currently filling out the "Invitation for Bid", for Bid No GSWA-015-24, and I am seeking clarification on a few questions: On page two, should I fill out the fields for Contract No., Amount, Date and Item numbers awarded? Or should I leave that blank for Mr. Slike or another officer of the GSWA to fill out? (I don't know what the contract number is or the item number).

   Response: **These fields can be left blank.**

2. On Page 20 and 21, please clarify how the Bonding will work. To the best of my knowledge, Springboard Biodiesel does not yet have a "Current Certificate of Authority to do business on Guam issued by the Dept. of Tax and Revenue". How would we acquire that in the time allotted? Also, can you clarify who the "Resident General Agent" is? I am hoping to understand better how this works and what we will have to do to comply with this.

   Response: **Please refer to page 22, item #11.**

3. On page 22, number 3, "Bidders are cautioned that they are subject to Guam Income taxes as well as all other taxes on Guam transactions." We would like to know if this will impact the costing and payments to be made for this project. Should I contact the Director of Revenue and Taxation for these answers? And if yes, do you have his or her contact information?

   Response: **Bidders may be subject to taxation, including but not limited to Gross Receipts Tax, Guam Business Privilege Tax, Guam Income Tax and the payment of any and all taxes which may be due as a result of entering into this agreement are the sole responsibility of the bidder and its subcontractors and any permitted assignees or successors in interest. Specific information of taxes may be obtained by contacting the Guam Department of Revenue and Taxation.**
