AMENDMENT NO.: I

TO

REQUEST FOR PROPOSAL NO.: RFP-GPA-24-013

FOR

LANDIS + GYR ADVANCED GRID ANALYTICS SOFTWARE SERVICE

Prospective Bidders are hereby notified of the following response to Bidder No. 1 inquiry dated 09/21/2024:

Bidder No. 1 inquiry date 09/21/2024:

1. QUESTION:

Please clarify specifically what services are being requested in the highlighted items below.

4. Provide software, modules, and third-party software in support of GPA's existing Landis + Gyr Advanced Grid Analytics Software.
 - a. Provide proponent's capability to purchase/provide third party software and modules.

ANSWER:

Should GPA require, at any point during the contract, the proponent shall be able to procure or provide third-party software and modules that can enhance or integrate with the existing system. This may include software licenses, additional analytics modules, or complementary tools, as requested by GPA that may require third-party software.

2. QUESTION:

6. Any technical, business consulting, and project management support as required by GPA for Developing and Executing the change management documents for Landis +Gyr Advanced Grid Analytics Software.

ANSWER:

In the event of a change management process, the proponent should be prepared to offer a range of services, including but not limited to: consulting on best practices for software implementation, guidance on aligning changes with business objectives and workflow processes, and support in planning, executing, and monitoring the change management process. This includes the development of essential documentation and other related tasks. (i.e. daily/annual management of the software and recommended use of the software during daily operations)

All other Terms and Conditions in the bid package shall remain unchanged and in full force.

JOHN M. BENAVENTE; P.E.
General Manager
