INVITATION FOR BID GSWA-019-24 24 CUBIC YARD SIDE LOADING REFUSE TRUCK

Questions and Concerns received from Far East Equipment Co. on October 15, 2024

1. We just received notice from our chassis manufacturer, Kenworth Trucks, that there are no open production slots for the rest of 2024 for the KW L770, due to no supply of the Allison 4000 series automatic transmissions. Kenworth will not be receiving any Allison 4000 transmissions until the 1st quarter of 2025. Therefore, we cannot receive the chassis for delivery to our Body-Builder, McNeilus, until 2nd quarter of 2025. With this delay, we are requesting that the delivery time be extended to at least 365 days ARO.

Response: Required delivery date will remain the same as there are alternative transmission options available that meet the requirements.

Irvin L. Slike,
General Manager
