INVITATION FOR BID GSWA-001-25 MULTIFUNCTION COPIER / PRINTER / SCANNER / FAX

Questions and Concerns received from Sharp Business Systems, Inc. on November 5, 2024

1. Page 28. "Monthly Black Print Allowance of 14,000 (pooled). Monthly Color Print Allowance of 17,000 (pooled)." Is the print Allowance given for each device? Or is it the combined usage of the two machines?

Response: The numbers indicated represent the combined usage of the two machines.

2. Page 28. "Print speed: minimum 55 pages per minute" Print Speed, is it 55 pages per minute for both color and monochrome? It would be better if there was a more clear standard. For low-performance, low-cost models, there are cases where only black printing is fast.

Response: Print speed is minimum 55ppm for both color and monochrome.

3. Page 29. "At least 50 sheets multi-position stapler, booklet making with center saddle stapling, and automatic booklet folding." Does it need staple function for folding? Should it also have folding function?

Response: Yes, the specifications require both the stapling and folding functionalities.
