OFFEROR'S RFP CHECKLIST

The 10 Most Critical Things to Keep in Mind When Responding to an RFP for GVB

1. _____ **Read the *entire* document.** Note critical items such as: mandatory requirements; supplies/services required; submittal dates; number of copies required for submittal; contract requirements.
2. _____ **Note the procurement officer's name, address, phone numbers, and e-mail address.** This is the only person you are allowed to communicate with regarding the RFP and is an excellent source of information for any questions you may have.
3. _____ **Attend the pre-proposal conference** if one is offered. These conferences provide an opportunity to ask clarifying questions, obtain a better understanding of the project, or to notify GVB of any ambiguities, inconsistencies, or errors in the RFP.
4. _____ **Take advantage of the "question and answer" period.** Submit your **written** questions to the procurement officer by the due date listed in the Schedule of Events and view the answers given. Should an addendum be required, GVB will issue a formal "addendum" for the RFP. All addenda issued for an RFP are posted on GVB's website.
5. _____ **Follow the format required in the RFP** when preparing your response. **Provide point-by-point responses to all sections in a clear and concise manner. Submitted proposal must signed by the person authorized to bind/contract (see page 2 of this RFP). Provide complete answers/description.** Read and answer **all** questions and requirements. Don't assume GVB or evaluation committee will know what your company capabilities are or what items/services you can provide, even if you have previously contracted with GVB. The proposals are evaluated based solely on the information and materials provided in your response.
6. _____ **Use the forms provided**, i.e., cover page, "ALL" Affidavit forms, etc. – NOTE: all affidavits must be notarized.
7. _____ **Check the GVB website for RFP addenda.** Before submitting your response, check the GVB website at www.guamvisitorsbureau.com to see whether any addenda were issued for the RFP. If so, you must submit a signed copy of the addendum for each addendum issued along with your RFP response.
8. _____ **Review and read the RFP document again** to make sure that you have addressed all requirements. Your original response and the requested copies must be identical and be complete. The copies are provided to the evaluation committee members and will be used to score your response.
9. _____ **Submit your response on time.** Note all the dates and times listed in the Schedule of Events and within the document and be sure to submit all required items on time. Late proposal responses are **never** accepted.

Subcontractors shall be subject to all provisions of the resulting contract. GVB shall approve any requests for assignments and/or subcontracting prior to execution.

1.18 Governing Laws

Except to the extent federal law is applicable, the laws and regulations of Guam shall govern the interpretation, effect, and validity of the RFP and any contract resulting from this RFP. Venue of any court action shall be in Guam. In the event that a suit is brought for the enforcement of any term of the contract, or any right arising there from, the parties expressly waive their respective rights to have such action tried by jury trial and hereby consent to the use of non-jury trial for the adjudication of such suit.

Any dispute arising under or out of this RFP and/or contract is subject to the provisions of Title 2 Guam Administrative Rules and Regulations, Division 4 (Procurement Regulations), Chapter 9 (Legal and Contractual Remedies); Title 5 Guam Code Annotated, Chapter 5 (Guam Procurement Law), Article 9 (Legal and Contractual Remedies); and any other applicable laws, statutes, or regulations.

The Offeror shall indemnify, hold harmless, and defend GVB, its officers, agents, and employees from or on account of any claims losses, expenses, injuries, damages, actions, lawsuits, judgments, or liability resulting or arising from Offeror's performance or nonperformance of services pursuant to the contract, excluding any claims, losses, expenses, injuries, damage, or liability resulting or arising from the actions of GVB, its officers, agents, or employees. The indemnification shall obligate the Offeror to defend at its own expense or to provide for such defense, at GVB's option, any and all claims and suits brought against GVB, which may result from Offeror's performance or nonperformance of services pursuant to the contract.

1.20 Modifications Due to Public Welfare or Change in Law

GVB shall have the power to make changes in the contract as the result of changes in law and to impose new rules and regulations on the Offeror under the contract relative to the scope and methods of providing services as shall, from time-to-time, be necessary and desirable for the public welfare. GVB shall give the Offeror notice of any proposed change and an opportunity to be heard concerning those matters. The scope and method of providing services as referenced herein shall also be liberally construed to include, but is not limited to, the manner, procedures, operations and obligations, financial or otherwise, of the Offeror. In the event of any future change in federal or Guam laws, GVB materially alters the obligations of the Offeror, or

the benefits to GVB, then the contract shall be amended consistent therewith. Should these amendments materially alter the obligations of the Offeror, then the Offeror or GVB shall be entitled to an adjustment in the rates and charges established under the contract. Nothing contained in the contract shall require any party to perform any act or function contrary to law. GVB and the Offeror agree to enter into good faith negotiations regarding modifications to the contract, which may be required in order to implement changes in the interest of the public welfare or due to change in law. When such modifications are made to the contract, GVB and the Offeror shall negotiate in good faith, a reasonable and appropriate adjustment for any changes in services or other obligations required of the Offeror directly and demonstrably due to any modification in the contract under this clause.

Any such cause will extend the performance of the delayed obligation to the extent of the delay so incurred.

1.22 Confidential or Proprietary Information

Proposals of Offerors who are not awarded the contract shall not be opened to public inspection but will be part of the official procurement record. After award, the proposal of the Offeror receiving a contract will become available for public inspection. If the Offeror selected for award has requested in writing upon submission of Proposal the non-disclosure of trade secrets or other proprietary data so identified, GVB shall examine the designated information to determine whether such information shall be considered proprietary. If GVB and Offeror are unable to agree as to the disclosure of certain portions of Offeror's proposal, GVB shall inform the Offeror in writing what portion of the proposal will be disclosed and that, unless the Offeror withdraws the proposal, or protests under 5 GCA Article 9 (Legal and Contractual Remedies) of the Guam Procurement Law, the information may be so disclosed. (See also Title 2, Guam Administrative Regulations, Division 4, Section 3114(h)(1)).

3.0 Defined Terms

The terms used in these Instructions to Offerors are defined in Guam’s procurement laws and regulations have the same meanings assigned to them in this RFP. The term “Offeror” means one who submits a proposal directly to GVB, as distinct from a sub-offeror who submits a proposal to the Offeror. The term “successful Offeror” means the best-qualified Offeror for the required services to whom GVB (on the basis of GVB’s evaluation as hereinafter provided) makes an award. The term “request for proposals documents” includes the invitation to submit a proposal, instructions to Offerors, and all addenda. The term “GVB” means the Guam Visitors Bureau and vice versa. The term “price data” are factual information concerning prices, including profit, for supplies, services, or construction substantially similar to those being procured. In this definition, “prices” refer to offered or proposed selling prices, historical selling prices, and current selling prices of such items. This definition of “prices” refers to data relevant to both prime and subcontract prices. The term “cost data” are information concerning the actual or estimated cost of labor, material, overhead, and other cost elements which have been actually incurred or which are expected to be incurred by the contractor in performing the contract.

3.1 Type of Procurement

This procurement is a Request for Proposal (RFP).

The proposal prepared by the Offeror and all correspondence and documents relating to the proposal exchanged by the Offeror and GVB shall be written in the English language. Supporting documents and printed literature furnished by the Offeror with the proposal may be in another language provided they are accompanied by an appropriate translation of relevant passages in the English language. For the purpose of interpretation of the proposal, the English language translation shall prevail.

3.3 Familiarity with Laws

The Offeror is assumed to be familiar with all U.S. federal and Guam laws that in any manner affect the work to be performed under this RFP. Ignorance will in no way relieve Offeror from responsibility.

3.4 Signature on Proposal

The Offerors must sign their proposals correctly. If the proposal is made by an individual, said individual’s

name and mailing address must be shown. If made by a firm or partnership, the name and mailing address of each member of the firm or partnership must be shown. If made by a corporation, the person signing the proposal shall show the name of the country, state, or territory under the laws of which the corporation was chartered, and the names and business address of its president, secretary, and treasurer. Proposals and modifications shall not be opened publicly but shall be opened in the presence of two or more GVB procurement officials. After the date established for receipt of proposals, a registrar of proposals will be prepared which shall include all proposals, the name of each Offeror, the number of modifications received, if any, and a description sufficient to identify the service item offered. The registrar of proposals shall be opened to public inspection only after award of the contract. Proposals and modifications shall be shown only to GVB procurement personnel having an interest in them.

3.8 Evaluations and Discussions

- A. Evaluation: GVB will evaluate all proposals submitted and may conduct discussions with any Offeror. The purpose of such discussions shall be to:
 - 1. Determine in greater detail such Offeror's qualifications; and
 - 2. Explore with the Offeror the scope and nature of the required services, the Offeror's proposed method of performance, and the relative utility of alternative methods of approach.
- B. Non-Disclosure of Information: Discussions shall not disclose any information derived from proposals submitted by other Offerors, and GVB shall not disclose any information contained in any proposals

until after award of the proposed contract has been made. The proposal of the Offeror awarded the contract shall be opened to public inspection except as otherwise provided for in the contract. The proposals of the Offerors who are not awarded the contract shall not be opened to public inspection.

- C. Selection of the Best Qualified Offeror: Upon completion of the validation of qualifications, evaluations, and discussions, GVB shall select, in the order of their respective qualification ranking, no fewer than three (3) acceptable Offerors, or such lesser number if less than three (3) acceptable proposals were received, deemed to be the best qualified to provide the required services.
- D. Submission of Cost or Pricing Data: The Offeror determined to be the best qualified shall be required to submit cost or pricing data to GVB at a time specified by GVB prior to the commencement of negotiations.

3.9 Negotiations

- A. General: GVB shall negotiate a contract with the best-qualified Offeror for the required services at a compensation determined in writing to be fair and reasonable.
- B. Elements of Negotiation: Contract negotiations shall be directed toward:
 - 1. Making certain that the Offeror has a clear understanding of the scope of work, specifically, the essential requirements involved in providing the required services.
 - 2. Determining that the Offeror will make available the necessary personnel and facilities to perform the services within the required time.
 - 3. Agreeing upon compensation, which is fair and reasonable, taking into account the estimated value of the required services, and the scope, complexity, and nature of such services.

3.10 Successful Negotiation of Contract With Best-Qualified Offeror

If compensation, contract requirements, and contract documents can be agreed upon with the best-qualified Offeror, and subject to Board approval, the contract shall be awarded to that Offeror. Written notice of award shall be public information and made a part of GVB's procurement file.

3.11 Failure to Negotiate Contract With Best-Qualified Offeror

- A. If compensation, contract requirements, or contract documents cannot be agreed upon with the best qualified Offeror, a written record stating the reasons therefore shall be placed in the procurement file and GVB shall advise such Offeror of the termination of negotiations which shall be confirmed by GVB's written notice to such Offeror.
- B. Upon failure to negotiate a contract with the best-qualified Offeror, GVB may enter into negotiations with the next most qualified Offeror. If compensation, contract requirements, and contract

documents can be agreed upon, then the contract shall be awarded to that Offeror. If negotiations again fail, negotiations shall be terminated as set forth in paragraph 3.11(A) above and new negotiations shall commence with the next qualified Offeror.

- C. Should GVB be unable to negotiate a contract with any of the Offerors initially selected as the best qualified Offerors, offers may be resolicited, or additional Offerors may be selected based on original, acceptable submissions in the order of their respective qualification ranking and negotiations may continue until an agreement is reached and the contract is awarded.

3.12 Cancellation of Solicitation; Delays

GVB reserves the right to cancel or to withdraw this RFP as provided in law and regulation, to delay any GVB determination required by the RFP, or to reject all proposals, or any individual proposal in whole or in part at any time prior to the final award in the best interest of GVB as provided in law and regulation. The reasons for the cancellation, delay, or rejection shall be made a part of the procurement file and shall be available for public inspection.

- A. After opening of the proposals, but prior to award, all proposals or any individual proposal in whole or in part, may be rejected when GVB determines in writing that such action is in the best interest of the territory of Guam for reasons including but not limited to:
 - 1. The supplies or services being procured by this solicitation are no longer needed.
 - 2. Ambiguous or otherwise inadequate specifications were part of the solicitation.
 - 3. The solicitation did not provide consideration of all factors of significance to the territory.
 - 4. The proposals only offer prices, which exceed available funds, and it would not be appropriate to adjust quantities to come within available funds.
 - 5. All otherwise acceptable proposals received contain unreasonable prices.
 - 6. There is reason to believe that the proposals may not have been arrived at in open competition, and/or that there was collusion between Offerors and/or the proposals were not submitted in good faith.

If this RFP is cancelled or all the proposals have been rejected prior to final award, notice of cancellation or rejection shall be sent to all Offerors. The reasons for the cancellation or rejection shall be made a part of the procurement file and shall be available for public inspection.

- B. GVB may reject any individual proposal in whole or in part when such rejection is in the best interest of the territory of Guam. Reasons for rejecting a proposal in whole or in part include but are not limited to:

1. GVB has determined that the Offeror is not a responsible Offeror pursuant to 2 GAR, Div. 4, Chap. 3, §3116.
2. The proposal is non-responsive, that is, it does not conform in all material respects to the RFP.
3. The offered supply or service in the proposal is unacceptable by reason of its failure to meet the requirements of the specifications or permissible alternatives or other acceptable criteria set forth in the RFP.

3.13 Disqualification of Proponent

More than one proposal from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that an Offeror has an interest in more than one (1) proposal for the same work will cause the rejection of all proposals in which such Offeror is believed to have an interest. Any or all proposals will be rejected if there is reason to believe that collusion exists among the Offerors and no participants of such collusion will be considered in future request for proposals for the same work. Proposals in which the prices obviously are unbalanced will be rejected. Proposals submitted by Offerors who do not meet the evaluation criteria will not be considered for review by GVB.

3.14 Right to Reject Proposal

GVB reserves the right to reject any or all Proposals in accordance with law and regulation, and to waive technical errors, or minor informalities, or to accept any proposals in part.

3.15 Award of Contract

The award of contract, if it is awarded, will be awarded to the best qualified Offeror(s) for the required services at a compensation determined in writing to be fair and reasonable, and subject to the availability of funds. In no case will the award be made until GVB has completed all necessary investigations into the responsibility of the proposed Offeror, and GVB is satisfied that the proposed Offeror is qualified to do the work and has the necessary organization, capitol, and equipment to carry out the provisions of the contract to GVB's satisfaction within the time specified.

3.16 Execution of Contract

The Offeror which is determined to be the best qualified, or the next best qualified Offeror should GVB cease contract negotiations with better qualified Offerors, shall sign the necessary agreement entering into a contract with GVB, and return a fully executed contract, containing the terms mutually agreed upon by the parties, to GVB within **seven (7) calendar days** after GVB determines in writing that the Offeror's requested compensation for the required services is fair and reasonable.

3.17 **Addenda**

Any amendment, modification, or addenda issued by GVB, prior to the established due date of the proposals, for the purpose of changing the intent of the plans and specifications clarifying the meaning, or changing any of the provisions of this RFP, shall be binding to the same extent as if originally required by this RFP. Any addenda issued by GVB will be sent to all Offerors in duplicate. Notice may also be obtained by accessing GVB's website. The Offerors shall acknowledge receipt of the same by their signatures on one copy, which is to be returned to GVB, and said copy shall accompany the Offerors respective proposals. Acknowledgment may also be made in writing or by email.

3.18 **Activity Reports**

As a vehicle for monitoring and measuring the services procured by this solicitation, the Agency shall record its representation performance on required report formats prescribed by GVB on a scheduled basis as detailed in the Scope of Work in this RFP. Failure to submit such reports may result in the delay or forfeiture of payment due to the Agency.

3.19 **Invoicing, Payment Terms and Conditions**

All applicable invoices from the Offeror who is awarded the contract arising from this RFP shall include supporting documents (i.e., timesheets, shipping invoices, consumable listings, receipts, etc.). All supporting documents must be reviewed and approved by GVB prior to invoice submittal for charges. All applicable GVB approved invoices will be paid net thirty (30) days from the date the invoices are received by GVB. Payment shall be made using a method mutually agreed upon by GVB and the successful Offeror. Applicable invoices must be submitted no later than three (3) months after completion of any given task or project. Failure to do so may result in forfeiture of payment.

Only Offerors who qualify for local procurement preference pursuant to 5 GCA §5008 may receive said preference by GVB. The GVB will employ where applicable a service-disabled veteran owned business preference in accordance with 5 GCA §5011.

3.24 Non-Collusion Affidavit

Offerors must submit a non-collusion affidavit provided with this RFP. Failure to submit said affidavit shall result in the Offeror's proposal to be deemed non-responsive to this RFP, and such proposal shall not be considered for award.

3.25 Restrictions Against Contractors Employing Sex Offenders from Working at Government of Guam Venues
