

NOTICE TO REJECT ALL BID OFFERS AND CANCEL SOLICITATION

January 3, 2025

GVB IFB 2025-001

Island-wide Beautification Project: Lighting Up Harmon Sports Complex – Fort Apugan – Sinajana

The Guam Visitors Bureau (“GVB”) issued GVB IFB 2025-001 Island-wide Beautification Project: Lighting Up Harmon Sports Complex – Fort Apugan – Sinajana on October 31, 2024, and the deadline to submit bids was on November 22, 2024.

After opening but prior to award, the Governor of Guam recalled all remaining ARP funds for immediate reallocation. This project was to be funded by ARP funds. As of this writing, GVB no longer has the available funding for this project, and we are unable to identify an alternate source of funding at this time.

Pursuant to **2GAR, Division 4, Chapter 3, §3115(d)(2)(i)(ii)(iii)(iv)(v)(3)(e)(3)(A)** the Guam Visitors Bureau rejects all bids and cancels this procurement due to the lack of funding to support this project.

Therefore, in my capacity as Chief Procurement Officer for GVB, I have determined that it is in the best interest of the territory of Guam and GVB to reject all bids and cancel this solicitation.

GERALD S.A. PEREZ
Acting President and CEO
