GSWA-005-25 SPORT UTILITY VEHICLE

BID SHEET

ITEM NO.	DESCRIPTION	QTY	UOM	UOM	EXTENDED PRICE
1.0	Sports Utility Vehicle (5 passenger) as per the following specifications:	1	EA	\$ _____	\$ _____

GENERAL:

These specifications have been written to describe minimum equipment & performance requirements to be supplied by the equipment manufacturer bidding. Reasonable test may be conducted upon delivery before acceptance.

The successful bidder shall furnish all necessary & appropriate information & instructions for the proper operation of the equipment. The government reserves the right to accept and/or reject any & all bids, to waive any defects, irregularities, or specification discrepancies & to award the bid as council deems to be in the best interest of the government.

Each vehicle shall be new/unused, current or later model year production. Each vehicle shall be supplied with all standard equipment & accessories indicated in the manufacturer's published literature/brochure unless specifically deleted as stated in this specification. Optional equipment necessary to meet the requirements of this specification shall be installed.

SPECIFICATIONS:

Indicate on each line of the technical specifications whether or not each item complies with the specification or an exception is being taken. If additional space is required to fully explain bid exceptions, attach additional typed page(s) to the bis submittal indicating the section number and subsection that has the exception, and provide explanation.
