INVITATION FOR BID GSWA-005-25 SPORTS UTILITY VEHICLE

Questions and Concerns received from Far East Equipment Co. on January 10, 2025

1. Please advise what is the make and model number of the ATV the bid spec is based on. The engine requirement for 187 hp seems high for a ATV?

Response: The 187 HP requirement was determined based on mid-size SUVs identified during market research to ensure the equipment meets GSWA's operational needs. It is not tied to a specific make or model.

Irvin L. Slike,
General Manager
