REQUEST FOR PROPOSAL NO.: RFP GPA-25-002

FOR

ENGINEERING AND TECHNICAL SERVICES FOR POWER SYSTEMS
ANALYSES AND STUDIES

Interested Firm/Individuals are hereby notified of the following responses to Bidder No.14 inquiry dated March 4, 2025:

RESPONSE:

1. QUESTION:

Under Section 4.2, provision of "AI Digital Twin based Autonomous Grid Controller Development" is requested. Would the bidder be disqualified if they are missing this capability?

ANSWER:

Yes.

2. QUESTION:

Under Section 4.3, "Guam PEALS Board registered Licensed Professional Engineering (PE)". We are currently in the process of approving our US team engineers that will work on this project to be GUAM Peals Board PE recognized. We will inform this as soon as we receive an answer (expected within 6-8 weeks). Please confirm if this is ok?

ANSWER:

The proposal submittals shall include the Guam PEALS Board registered Licensed Professional Engineer P.E.

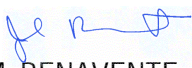

3. QUESTION:

Under Section 4.4, "Provide expert testimony on behalf of GPA regarding work performed on a time-and-materials basis": What is the scope of this testimony that is to be provided? Would it be restricted to a technical explanation of the studies and conclusions provided to GPA?

ANSWER:

Economic and Technical feasibility.

All other Terms and Conditions in the RFP package shall remain unchanged and in full force.
