

**AMENDMENT NO. 1
TO EXTEND THE SOLICITATION PERIOD**

April 28, 2025

**GVB RFP 2025-008
FIREWORKS (PYROTECHNICS)**

Fireworks are a class of low explosive pyrotechnic devices used to aesthetic and entertainment purposes. On April 4, 2025, the Guam Visitors Bureau issued GVB RFP 2025-008 to secure the services of an established company to provide this service beginning October 1, 2025, for Fiscal Year 2026, with the option to renew for up to two (2) additional years, with a minimum of four (4) fireworks shows each year, subject to the availability of funds.

The Bureau has received a request to extend this solicitation as there are several critical elements required for this service, including obtaining the appropriate licenses, certifications and clearances.

After careful consideration, and to allow adequate time for potential offerors to carefully review these requirements and to submit a complete proposal, I have determined to extend the following dates for this solicitation as follows:

Deadline to receive questions/requests for clarifications:

From: 12:00 p.m. on THURSDAY, April 10, 2025

To: 12:00 p.m. on THURSDAY, May 8, 2025

Deadline to submit proposal:

From: 12:00 p.m. on WEDNESDAY, April 30, 2025

To: 12:00 p.m. on WEDNESDAY, May 28, 2025
