FOR

T-7 TRANSFORMER REPLACEMENT (DESIGN-BUILD)

Prospective Bidders are hereby notified of the following response to inquiry received from Bidder No. 1 dated August 22, 2025:

**RESPONSE:**

**QUESTION:**

1. On your last item response to questions – 'GPA does not provide quotations or accept Electrical equipment rental services from private entities'. I would like to reference your Amendment II whereby GPA has indicated that 'Yes, GPA can assist with the vacuuming and oil filling of the T-7 transformer, however, our vacuum equipment, pump and oil storage tank are chargeable, including the labor'. Will GPA reconsider your decision of not offering your resources to the winning contractor since the assembly and installation of the power transformer is your own Authority's project.

**ANSWER:**

The Authority stands firm to not provide quotations or accept Electrical equipment rental services from private entities. Refer to **AMENDMENT NO.: IV, response to inquiry No.: 19.**

All other Terms and Conditions in the bid package shall remain unchanged and in full force.
