Pre-Bid Conference Minutes

Project: Patio Awning and Installation at Layon Landfill
Project No.: GSWA-003-26
Meeting Date: Monday, February 2, 2026 at 9:00 am, Chamorro Standard Time
Location: Layon Landfill – 1130 Chalan Layon Inarajan, Guam

I. INTRODUCTIONS:

GSWA Staff:	Alicia Fejeran, Chief of Administration Danilo Galiza, Engineer Supervisor Roman Perez, SWM Superintendent Melvin Taimanglo, Buyer I
WBH, LLC:	Vic Wang
Paradise Awning:	Benson Au-yeung
Sunrise, LLC	Cezar Nepez

II. SIGN-IN SHEET:

Sign in sheet was provided and signed by all present. (See attached)

III. GENERAL:

Purpose of the pre-bid conference is to provide an “informal” forum for prospective bidders to ask questions on the scope of work identified in the IFB documents.

All answers provided by GSWA today are considered informal and non-binding. Bidders requiring formal answers must submit their questions in writing to procurement@gswa.guam.gov, ATTN GSWA General Manager, no later than Wednesday, February 4, 2026 at 5:00pm. Responses will be issued no later than Friday, February 6, 2026 at 5:00pm to registered bidders and posted on the GSWA website.

IV. PROJECT DESCRIPTION & SCOPE OF WORK:

GSWA Engineer Supervisor and SWM Superintendent explained the project expectations and what type of material would be suitable for the Patio Awning. GSWA Engineer Supervisor explained the spaces need to be between each column to

General Manager

ensure an appropriate amount of space for the EV trucks to drive under at any direction.

The work shall include design, fabrication, and installation of a metal awning structure suitable for outdoor, industrial environments.

Design shall be submitted to GSWA for approval prior to commencement of construction.

The structure shall include a metal roofing system (e.g., pre-painted galvanized or equivalent) securely fastened to a steel or tubular frame with concrete foundation supports.

The design must meet structural safety standards, including appropriate wind-load resistance for Guam.

Approximate footprint of 60ft. (length) x 25ft (width) with an approximate height of 12 ft. (Contractor may propose equivalent dimensions suitable for the site and purpose)

Minimum 5"x5" vertical supports or equivalent load-bearing capacity.

Roof slope: at least 5ft. minimum

Reinforced concrete footing for all support posts, minimum compressive strength 3000 PSI, or equivalent structural integrity for the size and load of the awning.

V. BID ADDENDA:

GSWA may issue addenda during the bidding process to address any inquiries or make necessary clarifications. Any addenda will be communicated to all registered bidders by Friday, February 6, 2026 (Date may be subject to change.)

VI. BID OPENING:

Bids must be submitted by Friday, February 13, 2026 at 10am. Late submissions will not be considered. The bid opening will take place on Friday, February 13, 2026 at 10am at the GSWA Main Office 1st floor, where bids will be publicly opened and read aloud. Bidders are welcome to attend the bid opening session.

VII. REQUIRED BID SUBMITTALS:
