RESPONSES:

Bidder No.: 8 inquiry received 02/18/2026:

QUESTION:

1. We are currently reviewing the requirements outlined in **IFB No. GPA-025-26 – Pole, Concrete, 45 ft., Class B**, and we note that the specification calls exclusively for **concrete poles** as per GPA Specification E-035 (Rev. 2). Given current supply considerations and the potential benefits of alternative materials in certain applications, we would like to enquire whether **hardwood utility poles**—sourced from approved and structurally certified species—would be considered as an acceptable alternative for this tender. We understand that the IFB as written appears specific to concrete poles; however, before proceeding further, we would appreciate clarification on whether the Authority would entertain the submission of hardwood poles for evaluation under this procurement. If helpful, we can provide full engineering data, structural performance characteristics, treatment specifications, and compliance documentation aligned with GPA requirements.

Please let me know whether this option can be considered, and if so, whether any additional steps or formal submissions are required.

ANSWER:

The Authority stands firm on the bid requirements for GPA-025-26, Pole, Concrete, 45 FT., Class B and GPA Specification E-035, Revision 2.

Bidder No.: 6 inquiry received 02/19/2026:

QUESTION:

1. We would like to kindly request clarification regarding the required delivery date.

8 weeks for production after acceptance of the purchase order; and
8 weeks after acceptance testing

Additionally, we respectfully request a two (2) week extension of the bid opening date, as the manufacturer requires additional time to finalize and submit their quotation.

ANSWER:

Upon receipt of the purchase order, 8 weeks is given to begin production. Upon the inspection from the Authority of the poles produced for that purchase order, an additional 8 weeks from the inspection is given for the delivery to the Authority.

Refer to **CHANGES** above.

All other Terms and Conditions in the bid package shall remain unchanged and in full force.
