RESPONSES:

Bidder No. 6 dated 03/18/2026:

QUESTION:

1. We would like to seek clarification regarding the following qualification criterion outlined in the RFP:
"The CONTRACTOR's project team members should have at least three (3) years of experience supporting GPWA's Oracle Customer Care & Billing software."

While Abjayan brings extensive experience in **Oracle CC&B implementations and support across multiple utilities**, we wanted to confirm whether **direct experience with GPWA's CC&B environment is a mandatory requirement**, or if **equivalent experience with Oracle CC&B at other utilities** would be considered acceptable.

ANSWER:

The Contractor's project team members will need to have at least 3 years of experience supporting the Oracle Customer Care & Billing (CC&B) software and not specifically GPWA's CC&B environment.

Bidder No. 4 dated 03/21/2026:

QUESTION:

1. Given the international shipping requirements and the timing around weekends, would GPWA consider extending the due date to **Tuesday, April 23, 2026**? This would allow us to finalize materials and ensure reliable delivery without risk of delays.

We want to make sure everything is submitted properly and arrives on time.

ANSWER:

Refer to **CHANGES 1 and 2** above.

All other Terms and Conditions in the bid package shall remain unchanged and in full force.
