INVITATION FOR BID GSWA-008-26 METHANOL

Questions and Concerns received from TOTAL CHEMICAL RESOURCES on April 7, 2026

1. Due to the US-Iran war, it has affected the unstable pricing for crude oil. We have been advised by our suppliers of the possibility of irregular price increases without any notice. Therefore, we are unable to secure a 12 month Bid on the Methanol 99.9% solution. Our suppliers are only willing to provide us with a 30-day quote.

Answer: GSWA has amended the bid to only be a one-time purchase, please see amendment no. 3

2. On another note, is GSWA willing to consider using Methanol at >99.85% as an option.

Answer: Please see amendment no. 3
