VI. CHAIRPERSON'S REPORT	A. Chair reported 1. Appreciation to the Board, it's been really challenging through the pandemic and even though things are slowing down in the community as far as COVID infections, it is definitely not slowing down in the respective facilities. It's really been a challenge because the GBNE is quite busy with a number of things from ETWP, CNA Testing, Budget, NLC passed, NLC implementation, and missing Board members. Between that and numerous discipline cases with little time, there are 8 pages of files to review and approve. Additionally, thank you to the community for their patience with everything going on.	GBNE	3:50	Approved
VII. TREASURER'S REPORT	A. E. Dames absent but HPLO Administrator reported 1. There is a meeting tomorrow and L Dames, GBNE Treasurer, will attend and report at the next meeting.	Chair	3:51	Noted
VIII. COMMITTEE REPORTS	A. Disciplinary Matrix Guidance – C. Tuquero, K. Hitosis and B. Santos 1. None to report. B. Rules and Regulations/RFA – A. Varghese, B. Manzana and K. Hitosis 1. RNFA – K. Hitosis a. The draft legislation for the registered nurse first assist has been completed. They have been working many weeks to revise the legislation that came from Senator Terlaje's office. Workgroup has completed that. Now, it just requires a formal letter and GBNE review. Letter should go to Senator Terlaje stating that GBNE approves this. But before this final step, recommendation is to have Atty R Weinberg to review. b. The GBNE uses a disciplinary matrix as an algorithm for the GBNE to make decisions on particular cases. So, they have been following other jurisdictions and it's been helpful to decide on certain sanctions for violations according to the Nurse Practice Act. C. Forms – E. Dames, B. Santos and R. Carman. 1. Duty to Report form 2. GBNE Initial/Renewal Application	Treasurer  GBNE	3:52  3:53  3:55	Noted  No Report  Noted

		<p>11. GBNE-CO-20-007 I-7 K. Hitosis/B. Santos</p> <p>a. This case is unique in that there is no named respondent. Complainant questioned the validity of a nurse practitioner with her logo in a notepad and several complaints regarding her and not giving the right prescription. After reviewing multiple documents, and interviewing both parties, it is observed that the complainant is not aware of the scope of practice of a nurse practitioner. There were multiple documents from the nurse practitioner that the complainant was not being compliant with treatment or appointments, thus AMC terminated his treatments. Miscommunication between both parties. No patient was harmed and no patient safety involved, so recommendation is to dismiss this case.</p> <p>b. <i>Motion: K Hitosis 2nd B Santos</i></p>		No Report

XI.	OLD BUSINESS	<p>A. GMTC CNA Graduate. Howard Redlia</p> <p>I. Noted, will further discuss the next meeting.</p> <p>B. DODEA Pacific West District – Humphrey’s High School (South Korea) CNA Program</p> <ol style="list-style-type: none"> <li>1. NCSBN request was to see if the Board would be able to approve Humphreys High School in South Korea. They normally don’t do that, but since it’s a US based curriculum and it’s on a US base, there was no need to deny the GBNE reaching out to Humphrey and do the inspection and review to do whatever it takes to approve the curriculum.</li> <li>2. The costs could be covered for GBNE members to go to South Korea to inspect and review the environment and do a site-visit. However, with COVID and the travel restrictions, the GBNE is unsure of how to move forward with the site-visit making sure all facilities, the practicum lab, etc passes a review.</li> <li>3. GBNE would like to discuss the proposed simulated practicum with Dr. Kpinkpin before or by the next meeting. B Santos will send an email regarding this concern.</li> </ol> <p>C. Mary Jane L. The GBNE was able to do a walkthrough at the site, seems to have all the testing materials and supplies they need to start the testing. Dates are confirmed April 15, 16, 17, weekdays from 5:30pm-7:30pm and Saturday 8:00am-10:00am. Volunteers are confirmed, should be fully vaccinated for COVID 19. Thank you to GNA. For the communications for plans to test, there were 36 approved and that doesn’t count any that will be approved this meeting so over 36.</li> <li>2. C. Tuquero confirmed to attend all three days to be a tester.</li> <li>3. SNU residents returned back to their nursing unit in Barrigada. If the GBNE wants to go back to considering that facility as a testing site, they can see if they want it as an option.</li> <li>4. GMTc advocate Frankie Lake spoke about students that have been out of class/the nursing mindset for a long time and would like to train them prior to testing for greater help. It seems that the testing is one week away and a notification still needs to be sent out to the students to prepare which is on very short notice. F Lake wants to help those students prepare which calls for a later date to test.</li> <li>5. B Santos reassured F Lake that there will be other testing and there is a possibility of moving the date if no one signs up for the first one. It is the personal responsibility of the applicant to prepare for the tests.</li> <li>6. Board available on May 13, 14, and 15 for next testing planning.</li> </ol> <p>A.
