VII. Ex-officio

-Ms. Faisao mentioned 40 vacancies for classroom teachers, as well as a strong need for CHamoru and Special Education teachers. The CHamoru teachers are retiring and there are no teachers coming in to replace them. Dr. Aguon mentioned Chamoru teachers have applied for the Yamashita and Teach grant. Hardship is the funding. Morale is low because teachers are not deemed fully certified teachers, but if they complete the Masters the bump in pay will be significant. Regarding SpEd, there is no longer a degree offered at UOG. Most of the program graduates stayed in the regular classrooms instead of moving to SpEd. All commented it is a financial funding issue. Ms Abaday recommends a letter by GDOE to request funding to take MAT for those not certified.

-Ms. Schrage Nothing to report/announce

-Dr. Aguon mentioned that out of 6 faculty positions that are open, only 1 was approved due to funding.
