X	COMMITTEE REPORT	<p>A. Statues, Rules and Regulations Angel Llagas reported that major changes were made to Chapter 84, which is currently under final review by Asst AG Weinberg and Dr. Ross. When complete the document will be sent to the EMSC for review.</p> <p>B. Policies and Protocol Booklet (tabled). Dr. Mendiola stated the changes have been finalized and Angel Llagas stated that the Booklet is currently being reviewed by the Department of Defense for uniformity with the federal requirements. There have been major changes with respect to paramedic and medication requirements and the scope of practice. Once the DOD review is complete, the Booklet will be provided to the EMSC.</p> <p>C. Ambulance Diversion Policy and Interfacility Transfer (need to identify sub-committee).</p> <ol style="list-style-type: none"> 1. Chair stated that a sub-committee would need to be established. 2. Dr. Mendiola stated that there were no issues from GMHA. 3. Dr. Von Trampe reported that one emergency transport from GMRC and GMHA regarding an infant with an intracranial hemorrhage took approximately 1 hour and 10 minutes. He stated that he just wants to ensure that urgent emergency transport requests are clearly identified over those of a lesser priority, and streamlined with faster and better information to facilitate the transfer. He expressed appreciation to all agencies involved. D. Burnier stated he reassured GMHA and GMRC that these urgent transports are a GFD priority, and that E911 dispatchers are well-trained and emphasized the need to ensure all information is provided to emphasize the emergency. C. Chargualaf stated that forms are used for all requests to help determine the emergent needs and every effort is made to ask the right question, 	EMSC	10:24	Noted

<p>notate, and direct transport at the earliest opportunity. She stated that GFD has been extremely busy with emergency transports these past few weeks and reassured the EMSC that there have been no deliberate delays.</p> <p>4. Dr. Von Trampe inquired about the possibility of equipping the emergency transports to handle a pediatric high flow oxygen set-up with nasal C-pap and suggested seeking advice from the respiratory teams. The Chair stated that early on in the pandemic they were able to work a solution with the GMRC respiratory team. D. Burrier stated that since this is an operational issue, he will take the initiative to help solve this suggestion at an operational level.</p>
