	<p>B. PHARMACIES/FACILITIES/WHOLESALERS:</p> <p>1. SuperDrug Tumon. Note: The Chair recused himself from this item. The GBEP noted that SuperDrug has a longstanding history of operating several licensed pharmacies in Guam. SuperDrug representatives in attendance stated the following: anticipated opening mid July 2023, with initial operating hours from 1000-1800 hours; vaccines would be available and administered; the company logo would be used; system turnover and transfer of patient profiles with minimal downtime; the security system would be remotely monitored and managed and operated by SuperDrug, i.e., separate from K-Marts system; will apply for GCSR and DEA license for controlled substances. <i>Motion to approve pending 3rd board member signature & initial inspection: J. 	<p>C. Island Family Pharmacy (PCY-068) Request for Higher Pharmacy Staff Ratio The Chair read verbatim the request from the Pharmacist In Charge of Island Family Pharmacy regarding a request to increase staffing ratio to support the training of a student pharmacy technician. The request did not specify the current ratio of pharmacists to technicians nor did not specify whether there was an increase in volume. The Board determined that pharmacy technicians-in-training are not addressed in the current pharmacy rules and regulations and approved the request. <i>Motion to approve an additional technician in training: M. Gabriel; 2nd: J. Sana (ratio from 2 to 3)</i></p>	GBEP	0821	Unanimously Approved
	<p>D. Permit for Transporting Prescription Drugs The Board determined that it had no specific responsibility to address this request. Since it was unclear as to the intended purpose of this request, B. Hattori-HPLO suggested that this issue be deferred to its attorney for legal guidance, as well as research what is being done in other jurisdictions, before considering any changes to its Rules and Regulations. The Board decided to defer any action at this time.</p>	GBEP	0830	Deferred
