Kim raised a concern about the renewal process, asking if the deadline for submission should occur before the public announcement of the board meeting, to which M. San Nicolas confirmed this was correct. M. San Nicolas then discussed the agenda for the next board meeting, which would address the issue of licenses expiring on the 30th. They suggested conditionally approving licenses if applications were not received after the agenda's publication, referencing a past instance in September when all applications were conditionally approved. M. San Nicolas explained that if continuing education and other requirements were met by the 30th, licenses would be signed off and issued. Efforts are being made to include this process on the agenda for the next board meeting, ensuring licenses can be issued even if final approval occurs at the October meeting.
