V	HPLO Administrator's Report B. Hattori stated that a memo regarding the issuance of official certificates and licenses was sent out last week. This memo, effective as of its issuance date, states that anyone approved for an initial license renewal will now receive the official documentation instead of the traditional physical letter and card.	HPLO	1115	Noted
VI	Chairperson's Report A. Lape stated that HPLO transitioned to digital certificates and license cards to expedite issuance and reduce administrative overhead costs. Effective 11 July, approved applications will result in a digital certificate and license card in PDF format sent to the applicant. She also reported on the recent Commission On the Healing Arts COHA meeting held on 12 July, where it was announced that the policy and procedure had been revised to include a flow chart for complaints and investigations, which will be shared with the Boards. Additionally, COHA is seeking to have a permanent legal counsel assigned to HPLO and its Boards. A proposal has also been made to increase HPLO's budget for the upcoming fiscal year, as the current request of just over \$300,000 is deemed insufficient. COHA intends to advocate for additional funding through a resolution to ensure the legislature is aware of this need. The ASWB Social Work Census has concluded, and the data is being compiled to be shared with all members as soon as it is ready. Additionally, this year's ASWB delegate assembly will include funding for Board administrators, allowing Ms. Z. Pecina to attend the meeting with funding provided by ASWB.	A. Lape	1115	Noted

	B. Statutes, Rules, and Forms 1. Update on Rules and Regulations. The committee continues to meet regarding the rules and regulations, with recent discussions focusing on budget and fee structures to align more closely with those of other Boards. Progress is being made,	A. Lape	1118	Noted

VIII	<p>and it is hoped that the updates will be completed soon. Individuals who have not yet applied for licensure are encouraged to do so promptly, as there is a formal process for public hearing and legislative approval once the rules and regulations are submitted. Following approval, there will be a six-month period after promulgation during which applicants can submit their applications, but it is advised not to wait until the end of this period.</p> <p>A. IX	<p>New Business</p> <p>A. Complaint: GBSW-CO-2024-001</p> <p>B. Hattori addressed complaint GBSW-CO-2024-001, noting it was an anonymous complaint submitted in May but not included in the June agenda, hence its addition to the July agenda. A letter and accompanying photo documents related to the complaint will be received in the mail, and the complaint is currently pending assignment to a Board member for investigation.</p> <p>A. Lape interjected, explaining that the Board's current process does not accommodate anonymous complaints because it is necessary to communicate with the complainant to clarify matters. Consequently, there is no pathway for anonymous complaints, which was reiterated at last month's meeting when the public was advised to follow the established process and contact HPLO for guidance when submitting a complaint against a licensee. Although the anonymous complaint cannot be investigated, it will be reviewed to determine the next steps within the Board's purview. Legal counsel was consulted and provided the same recommendation, though further investigation into potential alternatives is being conducted. However, assigning and investigating an anonymous complaint is not possible.</p> <p>A. Lape clarified that while the Board cannot investigate anonymous complaints, they will review such complaints to determine possible actions. She urged the person who submitted the anonymous complaint to contact HPLO to update and discuss the matter further. B. Hattori reported that the complaint process should be but is currently not posted on the website; however, he would check the main HPLO website. A. Lape emphasized the importance of having a clear and accessible link to the complaint process, especially since the policy and procedure have been revised to include a more understandable flow chart. B. Hattori stated that he would ensure the information is posted on the website.</p>	GBSW	1130	<p>Complaint Anonymous; therefore, No Action by the GBSW</p> <p>Post Complaint Process on the Website</p>
