She also noted that Tré remains assigned to the medical board and is currently in the process of recruiting program coordinators to expand the staff. Dr. Berg requested that the job description be sent to him so that it can be shared with potential candidates. Additionally, B. Sablan reported that the GBME has received a \$50,000 grant from the FSMB for emergency response funding. The funds have been deposited, but access is pending in order to proceed with the recruitment of an administrative assistant, as outlined in the grant proposal. Dr. Berg asked that this grant information be forwarded to the Board for their awareness. Regarding training, B. This incident was widely publicized in the media, and Dr. Berg believes the physician's explanation of the event in his letter to the Board was dismissive. He recommends that the Board request court documents related to the incident. Dr. Nyame inquired whether a court or criminal conviction would automatically nullify the application. Dr. Berg responded by citing existing language, which states that licenses are not granted to individuals convicted of crimes of moral turpitude. Dr. Nyame expressed that he does not believe requesting court documents would change his stance. Instead, he feels it is important for the physician to acknowledge the wrongdoing. Dr. Berg agreed with this sentiment. Dr. Cruz reiterated his support for requesting the court documents and suggested contacting the Florida Board to understand why they did not pursue disciplinary action. Dr. Berg pointed out that the physician's Florida license may have expired before the Board could take action, and as a result, the Board may have lacked jurisdiction. Dr. Wielaard noted that while the physician's side of the story has been well documented, it is crucial to gather all facts surrounding the incident. He also emphasized that the case does not pertain to the physician's clinical practice. Dr. Wielaard recommended obtaining letters of reference from the physician's colleagues in Saipan. Dr. Berg agreed to contact the Chair of the Saipan Board to inquire whether they investigated the	GBME Dr. Cruz Dr. David B. In response, Dr. Berg made the following motion to draft a letter to the physician requesting relevant court documents, information from previous employers regarding the two noted incidents, and clarification from the Florida Board. The letter will also inform the physician of the option to withdraw his application, as the GBME is currently in the information-gathering phase rather than conducting a formal investigation.</p> <p><i>Motion made: Dr. Berg; 2<sup>nd</sup>: Dr. Cruz</i></p>
