	<p>D. Duenas from GCC wanted to clarify regarding the packet that was received this morning. She submitted the first part of the requested items in September and then the updated curriculum was submitted on 10/7/24, to include the health assessment course, the course sequencing and today was the change from fundamentals to adult medical surgical one.</p> <p>Submitted was only the draft, but once they receive the approval from their Dean and Vice President of Academic Affairs, she will send the final fully approved document.</p> <p>Chair Woodard asked if the hours or the classes that are required from the students has changed in any way. Ms. Duenas replied no, and only included the recommended changes to incorporate the health assessment course and mentioned the total program credits from 72 to 76 as discussed during the site visit.</p> <p>EO Pecina asked if there was a time frame to get this approved or if she was okay to wait for the next board meeting. D. Duenas mentioned they already have the conditional approval for the program and asked if they could just review the sequence of the curriculum and provide feedback by next meeting or sooner because they're hoping to start the first cohort for the LPN graduates by this Spring (1/8/25) if approved.</p> <p>So far, GCC has received about 60 inquiries expressing interest in this program.</p> <p>Member Calalo asked if NLN is the latest evidence-based in getting the new cohort and is GCC also looking at other entrance exam for the program. D. Duenas replied that they have been using NLN (NEX), but mentioned they can look at others for comparison if the board has any suggestions. Member A. Varghese responded also to PJ Calalo that they (UOG) were using PAX before but converted to NEX because of evidence-based and PAX converted to NEX. Additionally, her predecessors have data that NEX (or former PAX) are currently the best in terms of admission to nursing.</p> <p>D. Duenas added that since they started the LPN (Associate) program and have seen a trends and correlation of those that have scored high on the PAX and ability to pass the NCLEX on their first try which is why they felt very confident on continuing to use that product.</p> <p>Chairperson commented that it looks like the NLN PAX is a verified test.</p>	GCC	1540	Noted
IX	<p>Administrator's Report</p> <p>A. Appointment of Director of Nursing Program at UOG – Dr. A. Varghese Z. Pecina extended congratulations to Dr. Anna Varghese is now appointed as the Director of Nursing at the Margaret Hattori-Uchima School of Health.</p> <p>B. Online Graduate Nursing Program Approval Z. Item	Discussion	Responsible Party	Reporting Timeframe	Status
	<p>Briar Cliff University submitted a proposal for approval for Bachelors, Masters, DNP and PhD Program in nursing. This school is located in Iowa and is a private school and their tuition stays the same for both residence and non-residence. They also have a hybrid program, mostly online and didactic and clinical. The visits are twice during the program, one visit a year to the site which may be virtual or on site. They have been accredited by CCNE for 10 years ending in 2026. So far, their MSN program has been 100% passing of their graduates.</p> <p>M. Gay asked if Dr. Anna would have any issues with another program as hers (at UOG). A. Varghese responded that she has not come across anything so far but mentions it is safer that it comes to the board. Z. Pecina stated that it is important that these schools are accredited and important to put in our Rules and Regulations.</p> <p>Chairperson Woodard made a motion to approve Briar Cliff University to allow students to do clinical and didactic trainings on Guam and that we add them to the list of approved schools.</p> <p><i>Motion to approve: G. Woodard; 2nd: A. Varghese</i></p> <ul style="list-style-type: none"> Z. Pecina brought up about the board composition. M. Gay and C. Huntsman are fine. She is waiting on word back from the Governor's office regarding B. Manzana and A. Varghese. She mentioned she is still waiting for G. Ramos, P.J. Calalo and G. Woodard's nomination packet. To date, we have 42 states that are currently compact; 8 states are pending legislation; 2 states with no action (Oregon and Nevada) and 2 territories that are partially compact (CNMI still has not proposed to become part of the compact). <p>Chairperson asked if Guam is still waiting of the Rules and Regs to be fully implemented. The EO (Executive Officer), Z. Pecina mentioned that Guam is only partial and waiting on FBI's approval (to submit the reports directly to the office versus provided it to the individual who is requesting the fingerprinting) and the Rules and Regs.</p>	Z.
