		4. Kyoung Hee Lee – Dentist Dr. Yang reviewed an applicant's submission and determined that a required document—the certification of education—was only provided as a photocopy rather than an original. It was emphasized that the photocopy includes a seal but cannot be authenticated, and therefore does not meet the board’s requirements. Dr. Rapadas clarified that the original document with the embossed seal must be submitted in order for the application to be considered complete. It was agreed that the applicant would be contacted via email to inform her of the missing documentation, which appears to be the only outstanding requirement at this time. 		5. Christian Romer Fernandez – Dental Auxiliary <i>Motion to Approve: A. Yoo; 2nd: Dr. Ha.</i>	GBED		Unanimously Approved
		B. Clinical Exams			
		Move Exams from August 19-20,2025 to October 14-15, 2025. The board discussed the previously scheduled August examination and acknowledged concerns about budget shortfalls that may prevent it from taking place as planned. Although the board intended to hold exams in August and February, it was suggested that the next examination be postponed to October, when funding is expected to be renewed. The	GBED		Noted

		members agreed to tentatively move the exam to October 14th and 15th, contingent on the approval of the new budget. Consequently, the final deadline for completed applications was set for August 14th. The board also planned to conduct interviews for eligible candidates during the September 17th meeting, which will be held via Zoom. Additionally, it was noted that candidates approved for the October exam will need to complete the jurisprudence requirement prior to the exam date.
