define the Marianas," Taijeiron said.

A journey through time and nature

The race is co-organized by the nonprofit organization Sports Aid Japan and the MVA.

Sports Aid Japan organizes races for its members around Japan featuring significant sites, scenery, and history. This race is a landmark occasion for Sports Aid Japan, as it constitutes their inaugural overseas event.

The story of the Marianas is woven from the history of the indigenous Chamorro and Carolinian people, alongside centuries of Spanish, German, Japanese and American influence.

During the Japanese era, Saipan was home to nearly 30,000 Japanese citizens and flourished as a major hub for sugarcane cultivation. The legendary 50-mile (80.5 km) narrow-gauge railway once encircled Saipan, transporting sug-

arcane and goods—a history that endures in the landscape and spirit of the island. Similar railways supported the industry on the neighboring islands of Tinian and Rota.

Event highlights

Registration for individuals or teams is \$80. The general registration deadline was Dec. 5, and the registration for Marianas residents is Dec. 12.

Individual participants must show proof of finishing a marathon in October 2022 or later (waived for team entries). Marianas residents may register in person at the MVA office on Beach Rd., I Liyang, Saipan.

The journey run traces the historic railway route, including ascents to Mt. Tapochao, the scenic northern coastline, and World War II heritage sites.

The race starts and finishes at American Memorial Park, Micro Beach, Garapan. A starting ceremony will be held at 4:30 a.m., followed by race start at 5 a.m. The finish line closes at 9 p.m. Relay teams of

2-6 members will exchange runners at designated aid stations.

Awards and amenities include:

- Digital finisher's certificate
- Official race t-shirt
- Marianas specialty product
- Pre-event reception on Jan. 16, 2026, with food, drinks, and performances
- Optional post-event party on Jan. 18, 2026, and sightseeing tours for an additional cost

The event prioritizes safety, self-sufficiency, and respect for the Marianas' natural and historical heritage. Participants must navigate using official course maps, pass all checkpoints, and carry mandatory night gear and cell phones. Additional requirements apply. A course map is available at <https://shorturl.at/HQ9j5>.

For more information and registration details, contact MVA Community Projects Coordinator Ed Diaz at communityprojects@mymarianas.com, call (670) 664-3200, or visit The Marianas Calendar at www.mymarianas.com.
