| VII | Executive Officer's Report | R. Sumaylo provided an update on GBNE-CO-20-007/1, 2, 4, 5, 6, & 7, which are under G. Woodard's review. G. Woodard stated that there was nothing new to report on these items at this time. G. Woodard instructed that this item be formally placed on the next meeting's agenda for further discussion. | G. | | | B. APRN-CRNA PRESCRIPTIVE AUTHORITY | | | |
| | | G. Woodard noted the ongoing work-in-progress regarding APRN Certified Registered Nurse Anesthetists (CRNA) prescriptive authority, and noted that the current rules and regulations contain language exempting APRN CRNAs from requiring prescriptive authority. He stated this exemption was likely put in place when CRNAs primarily practiced within facilities, thereby avoiding the associated costs and requirements, as they were "just passing gas and giving controlled substances inside a facility," which is generally permitted by the facility's DEA registration. However, since CRNAs are increasingly moving toward independent practice outside of facility settings (citing an example of providing anesthesia services to local dentists), the Board must decide whether to remove this exemption. M. Gay stated that CRNAs "should follow as everyone else." G. Woodard agreed, noting that if CRNAs are practicing independently outside a facility, they must have prescriptive authority. The officer recommended striking the exclusionary language to make the requirement consistent for all APRNs on Guam. The Board reached a consensus to eliminate the exemption. <i>Motion to amend the rules and regulations to remove the verbiage that allows CRNAs to practice without prescriptive authority on Guam: G. Woodard; 2nd: M. Gay</i> | GBNE | | |

| | | <p>A. PENDING APPLICATIONS</p> <p>Theresa Villatora G. Woodard opened the discussion with the introduction of the applicant, Theresa Villatora. R. Sumaylo asked T. Villatora why her Guam license had lapsed. T. Villatora explained that she had relocated off-island four years ago and recently returned to Guam in September due to the unexpected passing of her father. She is currently acting as the executor of his will. She stated she is here to work while managing the estate and needed to renew her license after the four-year lapse.</p> <p>G. Woodard inquired if Teresa had experienced any licensure issues while away. T. Villatora confirmed that she currently holds a California license with no issues. M. Gay raised a question regarding the protocol for verifying the current license status on Nursys of applicants being reinstated. G. Woodard confirmed that verification of current good standing had already been performed. It was noted that the Executive officer typically issues licenses once all criteria are met, but pending applications, like this one, require a Board decision if there are any problems to be decided upon.</p> <p>After the discussion, M. Gay initiated a discussion regarding the removal of physician protocols and medical provider oversight for Advanced Practice Registered Nurses (APRNs), expressing concern for patient safety. G. Woodard clarified that the requirement was officially removed by law in 2018 under the Calvo administration, noting that Guam is one of 32 jurisdictions that allow independent practice. He explained that tethering a license to another provider can be unnecessarily restrictive and clarified that previous limitations M. Gay experienced in the clinical field were likely due to specific employer policies (such as GMH) rather than statutory restrictions.</p> <p>G. Woodard further clarified that the Board had previously voted to amend rules and regulations to ensure all APRNs have consistent prescriptive authority. It was emphasized that the Board's mandate is to create rules that reflect existing law, and they do not have the authority to unilaterally reinstate physician oversight that the Legislature has already removed.</p> <p>R. Sumaylo intervened, noting that this topic was not included on the official meeting agenda, and advised the Board that the discussion be tabled and added to a future agenda for formal consideration. G. Woodard confirmed that an investigation is currently under investigation,</p> <p><i>Motion to Approve Theresa Villatora's RN Reinstatement License: G. Woodard; 2nd: M. stood out:

138 lbs. - Friar Jake Materne vs. Bulldog Decian Imbuido: Materne once again showed his trademark grit, grinding through three periods before sealing the win by pin in the final round.

160 lbs. - Bulldog Jake Littlejohn vs. Friar Brock Aguon: One of the closest contests of the morning saw both athletes exhausted by the final whistle. Littlejohn barely came out with his win against Aguon by just three points after a full three-period battle.

170 lbs. - Bulldog Emyl Dela Cruz vs. Friar Rylan Stanley: Stanley's technique had him in control early, but Dela Cruz's raw power shifted the match. A momentum swing in the second period ended with Dela Cruz securing a pin.

195 lbs. - Bulldog Hilario San Nicolas vs. Friar Adam Aflague: San Nicolas closed Okkodo's final victory of the dual with a strong first-period pin over Aflague.

Team splits at GW site

Over at GW, the Guam High Panthers and JFK Is-

landers faced off in a meet that ended in a split decision between the divisions: the Panther girls secured the female team win while the Islanders claimed the boys' side.

The most compelling match of the dual came from the heavyweights as they were the only bout of the meet that stretched the full three periods.

The back-and-forth contest resulted in a decision rather than the pins that defined the rest of the lineup, drawing strong reactions from both crowds as the lone long-form match of the meet and promising for an interesting lineup to come in the heavyweights for who might take the championship in a couple

of weeks.

GW's Senior Night concluded with the host Geckos taking on the Sanchez Sharks in another boys/girls split. The Shark girls walked away with the fe-

male team win, while the Gecko boys carried the victory on the male side.

Despite having just five wrestlers on their female roster, the Geckos nearly swept their matchups

- four of the five athletes collected wins, showcasing the squad's efficiency and determination despite their limited numbers.

The league heads into its final week of regular-season competition next Saturday. Guam High will host George Washington, Tiyan, and Okkodo, while JFK welcomes Southern, Father Duenas/Notre Dame, and Simon Sanchez.

With postseason positions on the line and rivalries sharpening, the final slate of duals is set to deliver one of the most intense weekends of wrestling yet.

Mariana's Open Guam featured in Japan's Jiu-Jitsu Today magazine

Pacific Daily News

Guam's premier Brazilian Jiu-Jitsu tournament has been featured in the latest issue of Jiu-Jitsu Today, one of Japan's most respected and widely circulated martial arts publications, according to a release from Marianas Open.

This significant recognition elevates Guam's presence within the international jiu-jitsu community and reinforces the island's growing status as a sports tourism hub in the Asia-Pacific region, the organization said.

Guam's premier Brazilian jiu-jitsu tournament Mariana's Open has been featured in the latest issue of Jiu-Jitsu Today, one of Japan's most respected and widely circulated martial arts publications.

Philippines, Malaysia, and other major jiu-jitsu markets, Jiu-Jitsu Today offers unmatched reach to practitioners, fans, academies, and event organizers throughout Asia.

The magazine is also

widely circulated along the Asian Sport Jiu-Jitsu Federation tournament circuit, where individual events consistently draw more than 1,000 competitors.

The newest issue features a comprehensive editorial spread on the Marianas Open International, highlighting standout moments from the most recent tournament held on Guam. The coverage showcases dynamic action photography, athlete profiles, key match

highlights, and an in-depth look at Guam's uniquely tight-knit and rapidly growing jiu-jitsu community.

Steven Shimizu, president of the Marianas Open, emphasized the significance of this milestone:

"This recognition is more than a highlight—it's an invitation. The coverage in Jiu-Jitsu Today encourages athletes, teams, and fans from across Asia to come to Guam—not only to compete, but to experience the island as a premier sports tourism destination," he said in a statement.

Régine Biscoe Lee, Guam Visitors Bureau general manager, also celebrated the achievement.

"We are thrilled to see Guam and the Marianas Open featured in Jiu-Jitsu Today, one of the most prestigious international publications in the sport. This is an achievement that

shines a global spotlight on Guam as a premier destination for sports tourism. We continue to promote the island through world-class events and contribute to the continued growth of sports tourism throughout the Marianas region," she said.

Recent tourism activity has shown promising momentum. Coincidentally, reports from the first to the third week of October indicated a tourism increase of approximately 17.5%, adding to the energy surrounding the period in which the Mariana's Open took place.

"This kind of measurable growth illustrates the power of sports in bringing people to Guam. Events like the Mariana's Open contribute directly to our island's visibility, our economy, and our long-term reputation as a competitive venue in the Asia-Pacific," Shimizu said.

time loss to the Guam Nationals in the regular season. The Guam Nationals finished the season with a 9-1 record as well.

This was the first championship for the KFC Bombers since former coaching legend, coach Gerrard Barnes, coached the KFC Bombers. The loss broke the string of 4 championships won by the Guam Nationals or the Nationals group under a sponsor's name.

The Triton Men's Basketball League will return for their spring season in March 2026, with hopefully another 8-team league.

The League named a 15-member All-League Team and a Most Valuable Player for the League.
