III	Review and Approval of Minutes	Draft Minutes Dated: January 15, 2026 Motion to Approve: A. Mariano; 2 nd : A. Eustaquio.	GBEP	0745	Unanimously Approved	
IV	HPLO Administrator's Report	No report	M. Gabriel	0746	No Report	
V	Chairperson's Report	M. Gabriel reported that there were two items for discussion, beginning with an update on nomination packets for Board membership. The Board was informed that Mr. J. Sana's term had concluded and that he would not be continuing, resulting in a vacancy and leaving the Board short of members, although three members remain necessary to establish quorum. Two nomination packets had been submitted to the Governor's Office in December, with a recent follow-up conducted. It was further reported that a meeting took place on February 13 with the Governor's Legal Counsel to discuss the nominations for the	GBEP	0746	Approved Draft for Public Safety Notice and Consent Form	

Item	Discussion	Responsible Party	Reporting Timeframe	Status
	<p>two positions that need to be filled, including J. Sana's position and another seat that has been vacant for several years.</p> <p>An additional report was provided regarding a notification received by Board Inspector E. Aguon concerning the possible sale of non-U.S.-approved prescription drugs at facilities not licensed as pharmacies and therefore outside the Board's jurisdiction. The matter was brought to the attention of the Department of Public Health and the Department of Environmental Health, and a meeting was conducted with Tom Nadeau and Leilani Navarro to address the issue. During the meeting, DEH representatives outlined their ongoing enforcement efforts in coordination with the FDA and identified other products being marketed on Guam as over-the-counter medications that contain active pharmaceutical ingredients and have been flagged by the FDA as unsafe for sale. These efforts included visiting businesses to inform them of the violations and directing them to remove such products from their shelves.</p> <p>In alignment with its mandate to protect public health and safety through the regulation of pharmacy practice, the Board proposed issuing a public safety notice in collaboration with the Guam Board of Examiners for Pharmacy and DEH to warn the public about the risks and legal implications of purchasing or selling prescription medications outside of licensed pharmacies or without a valid prescription. Drafts of the public safety notice and a consent form for affected businesses were prepared, the latter requiring establishments to acknowledge applicable laws and confirm their understanding that prescription medications sourced from other countries or products containing active pharmaceutical ingredients may not be sold over the counter at unlicensed facilities. The Board discussed providing these documents to identified establishments and making the notice available to the public. It was recommended that businesses first be formally notified and educated, with repeat violations to be referred to the Office of the Attorney General. A motion was made and approved to move forward with finalizing and distributing the public safety notice and consent acknowledgment form in coordination with DEH.</p> <p><i>Motion to Approve Drafts for Public Safety Notice and Consent Form: A. Eustaquio; 2nd:A. Mariano.</i></p>			
VI	<p>Complaints</p> <p>A. GBEP-CO-16-01 (On-Going) M. Item	Discussion	Responsible Party	Reporting Timeframe	Status
	<p>application in question was approaching its one-year mark and was set to expire in March 2026, at which time the applicant would be required to reapply. It was suggested that the item may be removed from the agenda if the application expires. Additionally, it was reported that no response had yet been received, and that the matter remained pending due to awaiting the FDA inspection and information from the California Board of Pharmacy.</p>			
	<p>B. 2025 RENEWALS</p>			
	<p>1. CVS/Caremark OR CF #11506 (NR-PCY045) Representatives from CVS Health were present and introduced themselves as B. Convery, Senior Legal Counsel for CVS Health, and C. Renfer, Pharmacist-in-Charge of the Wilkes-Barre Mail-Order Facility in Pennsylvania and Director of Professional Practices for CVS Caremark. M. Gabriel explained that the renewal application had been tabled pending discussion regarding concerns, particularly related to a probationary action by the California Board of Pharmacy, which is scheduled to conclude on July 6, 2026. It was confirmed that while the pharmacy remains on probation, there are no limitations on dispensing medications into California, though conditions include public posting of probation status, reporting requirements, and probationary inspections.</p> <p>M. Gabriel summarized findings from the California case, noting concerns regarding early dispensing of controlled substances and prescriptions issued by physicians not licensed in California, and sought clarification on corrective measures implemented to prevent recurrence. The representatives explained that while California does not have a specific statutory early-fill limit, the company implemented system-wide safeguards establishing a seven-day “on-doorstep” standard for controlled substances, accounting for shipping time, and applied these controls broadly unless a state has more stringent requirements. They further stated that system enhancements were implemented to verify prescriber licensure in the destination state before dispensing controlled substances, including automated hard stops preventing fulfillment if appropriate state licensure is not confirmed. It was also clarified that no individual pharmacists were subject to disciplinary action in the California matter.</p> <p>The Board raised additional concerns regarding Guam law, including requirements for controlled substance registration, DEA licensure, and the seven-day dispensing rule from the date written. C. Renfer indicated she would need to review and provide data regarding whether controlled substances had been shipped to Guam, including prescriber licensure verification, dispensing dates, drug schedules, and overall volume of prescriptions. The Board requested submission of written policies and procedures detailing safeguards related to controlled substance dispensing, early refill prevention, and prescriber license verification. B. Convery clarified that the Pennsylvania facility is not currently shipping into Guam due to the pending license renewal; however, the Board requested historical data prior to the lapse for review. The representatives</p>	<p>GBEP</p>		<p>Noted</p>

Continued from Page 27

urgency, storming out to an 11-2 run and taking a 16-12 lead after the first quarter.

But once St. Paul settled in, the Warriors completely shifted the momentum.

Their defensive pressure forced the Friars into repeated halfcourt turnovers, allowing St. Paul to chip away and win the second quarter, 12-9, heading into halftime trailing just 25-24.

The third quarter proved decisive. St. Paul outscored FD, 17-10, sparked by an 8-0 run that forced a Friars timeout.

As players walked toward their benches, tempers briefly flared, leading to a technical foul against St. Paul, though no players were ejected.

GUAM SPORTS NETWORK
Warriors pose after an upset victory over the Friars.

"We came off a run before that," Aisek said. "So we kind of thought they're not used to it. They're not used to us getting the lead over them."

From there, the Warriors never looked back.

They closed the game with a dominant 23-13 fourth quarter, overwhelm-

ing the Friars on both ends to seal the 64-48 victory.

RJ William led St. Paul with 14 points on an efficient 60% shooting.

Sophomore standout Brez Cornelius added 10 points and four rebounds. Cornelius, named to the All-Island Second Team, showed poise well beyond

his age.

"Not really, cause I've been playing with these boys for a long time. We got good chemistry," Cornelius said when asked if the moment felt intimidating. "I just think we're a good team in general."

FD's Leland Plinske turned in a strong dou-

ble-double—15 points, 13 rebounds, and a perfect 2-for-2 from deep—but the Friars' early momentum evaporated as turnovers piled up.

Jarret Ko and Colin Baker added 12 points each, yet FD struggled to gain control once St. Paul's adjustments took hold.

With the win, the Warriors advance to face the JFK Islanders in the championship game.

After suffering a heart-breaking 49-48 loss to JFK in the regular season, St. Paul enters the title matchup with a renewed edge, and a massive chip on its shoulder.

Rugby

Continued from Page 27

spot in the championship game in what proved to be a tight matchup.

The Sharks proved that they were going to put up a fight and even came as close as 14-12 in the 2nd half.

The Geckos held their composure and managed to close out the match, 28-22, over the Sharks and seal their slot in the championship game.

Friars vs Geckos

The boys rugby championship game is officially set between the Father Duenas Friars and the George Washington Geckos, scheduled for this Saturday at 12:30 p.m. at the GW field.

With both teams entering the match undefeated, this showdown is shaping up to be a highly anticipated rematch of last year's championship game.

Girls semifinal #1

The top-seeded Notre Dame Royals secured their place in the championship after defeating the Guam High Panthers, 22-5, in the first girls semifinal match of the evening.

The Royals entered the semis with an advantage after earning an automatic place into the top four, allowing them to bypass the quarterfinal matches that were also played earlier in the day.

The Royals capitalized on the extra rest and controlled the match to advance to Saturday's title game.

Girls semifinal #2

The most thrilling game of the evening featured the second-seeded Academy Cougars and third-seeded Southern Dolphins.

The Dolphins struck first and came out strong in the opening half, but the Cougars responded and managed to reclaim the lead just before halftime, taking a narrow 14-12 advantage.

The second half remained a back-and-forth

battle as both teams traded leads and eventually ended the second half tied at 19-19, forcing a sudden-death overtime.

In the extra five minutes, Cougars' Alexia Sevilla managed to break free from the Dolphins' defense and made a huge run into the try zone to seal the dra-

matic 24-19 victory and punch her team's ticket to the championship game.

Royals vs Cougars

The girls rugby championship game is now set between the Royals and the Cougars who are scheduled to play at 12 p.m. this Saturday at the GW Field.

repeating as top scorer during the regular season.

Pride FC's John Lim, the league's Golden Glove winner as top goalkeeper, will receive his award from his club, Dededo SC.

Strykers vs FC Pride

Earlier in the day, Bank of Guam Strykers Masters claimed third place in the 2025-2026 Ma'gas Masters League with a dominating 7-2 performance against FC Pride that saw all nine goals come in the second

half.

Joshrick Fenwick led all scorers with a hat trick and teammate Naoki Shoji scored twice.

Dennis Bakker and Christopher Ray Santos also scored for the winning team.

Juan Padilla and Sangchul Hwang scored once each for FC Pride.

Semi-final matches

In the league's semifinal matches ahead of the finals played March 8, Eurocar Sidekick SC earned its ticket to the championship with a 6-2 win over Bank of Guam Strykers Masters.

Abdou Lalene and Yu Ta-

nabe each scored twice and teammates Quinn Yeomans and Byung Choi also scored

for the winning team.

Christopher Ray Santos and Naoki Shoji scored for

COURTESY OF GUAM FOOTBALL ASSOCIATION

Bank of Guam Strykers FC's Christopher Ray Santos celebrates with teammate Joshrick Fenwick after scoring a goal against FC Pride in the third place match of the Ma'gas Masters League at the Guam Football Association National Training Center on March 15, 2026. Fenwick finished with a hat trick in the Strykers' 7-2 win to claim third-place in the league.

the Strykers Masters.

Gino's Islanders FC booked its ticket to the championship match after defeating FC Pride, 5-2.

Jine Han scored twice and teammates Andrew Panuska, Woo Cho, and Nestor Are also contributed in the win.

Andrew Labruna and Juan Padilla scored for FC Pride.

Concepcion

Continued from Page 23

Climbing the coaching ladder

Concepcion started his coaching career at the same school, but it was upon the conversion from a high school to a middle school.

After a short stint in Santa Rita-Sumai, he moved a bit north where he took over the Jose Rios Middle School program. That is where he connected with good friend Bic Lagutang, and a coaching tandem would blossom from there.

The pair built the new Tiyan Titans basketball program for four years before spending the next seven years back down in Talo'fo'fo' with the Notre Dame Royals.

The step to JFK

Concepcion was a volunteer coach under previous coach Rey Serafico. This season, he was given the keys to the program. He said he knew there was something special from the get go.

"We saw the amount of talent that came out on the first day of tryouts," he remembers. "When we got to JFK, we saw the players and how much they wanted to win, so we built it within the same concepts of Candaso. The players bonded really fast. They quickly grasped the concepts we were teaching them."

Other than maximizing the talents led by Collin Rillamas and Tristan Hahn, the difference maker for the Islanders, according to their coach, was

JFK head coach Cy Concepcion cuts down the final strings of the championship net.

sacrifice.

"They committed to the practices and the hard work. Our practices were grueling. I put them in a position where we are going to run and run and run, get our body conditioned so when the mental game comes into play, it won't defeat us."

After their big win over the St. Paul Warriors last Friday for the title, the feeling of being a champion is just now settling in.

"I'm actually starting to feel it now. We were relieved. We went through the gauntlet of what happened. Just watching the boys experience the joy of it, that made us happy."

Bic the sidekick

The "we" that he is referring to is assistant coach Bic Lagutang, who also

serves as the JFK junior varsity head coach.

The pair have been together coaching for the better part of 20 years, but the relationship started at Oceanview High playing under Coach Candaso.

"Bic was always a tale when we were seniors," Concepcion recalls of their high school days. "He was the only freshman to hang out with the seniors. The relationship grew and it became family. We are ninos for each other's kids."

Concepcion said Lagutang has been the perfect compliment with the extra set of eyes on parts of the head coach would probably miss.

"When I don't see things, he sees it for me (during the games). He'll pull me to the side and tell me what I don't see and to make adjustments," he said.
