## Seminar

Continued from Page 22

Matao and Masakāda (Guam Men's National Team and Guam Women's National Team, respectively)," the 23-year-old added.

Halehale played four years for Central Connecticut State University, making 47 appearances with five goals scored and three assists.

He next was the captain of the Mercyhurst University men's soccer team, making 16 appearances for the team and playing over 1,342 minutes.

Both universities compete in NCAA Division I's Northeast Conference.

Last year, with Mercyhurst University, Halehale was named to the 2024 United Soccer Coaches NCAA D1 All-Northeast Region second team and the 2024 First Team All Northeast Conference. T

he Mercyhurst University men's soccer team won the Northeast Conference Division I regular season title Nov. 7, 2024, topping the conference leaderboard with a 5-1-2 conference record (8-7-2 overall) and 17 total conference points, according to the Mercyhurst University Web site.

"Kyle's experience as a former NCAA Division I player will provide invaluable insight and guidance to our young athletes as they navigate their journey toward higher education and collegiate athletics," said Ross Awa, GFA technical director and head coach of the Matao, Guam Men's National Team.

COURTESY OF KYLE HALEHALE

Guam's Kyle Halehale winds up to send the ball forward for Mercyhurst University in this contributed file photo. Halehale will be conducting a free-of-charge, one-day seminar, "Unlock the Path to College Soccer" open to all middle and high school athletes, parents and coaches at the Guam Football Association National Training Center on Wednesday, Dec. 17, 2025.

Awa said intercollegiate football plays a vital role in Guam's elite player pathway, serving as a crucial bridge between youth development and the senior national team.

"It offers our student-athletes the opportunity to compete at a higher level, gain valuable experience, and develop their football abilities in a competitive environment while pursuing their academic goals.

We are confident that this initiative will greatly strengthen our players, providing them with a clearer pathway to achieve their academic and athletic aspirations at the college level," he said.

In the hour-long seminar, Halehale will be presenting on eight topics after a brief introduction about himself:

- Levels of College

Soccer (NCAA, NJCAA, NAIA)

- Scholarship opportunities in all levels

- Recruiting process being from Guam

- What to look for in a university

- Life as a student-athlete

- Common misconceptions about college sports

- Mistakes to avoid and what to do now

- Mental health as student-athletes

Halehale will close the seminar with a question-and-answer session.

"The long-term benefits for student-athletes who engage in this pathway, such

as Kyle Halehale, include the potential for increased exposure, scholarship opportunities, and the development of a strong athletic and academic foundation," Awa said. "Ultimately, the integration of intercollegiate football into our player pathways supports our vision of elevating Guam's football standards and nurturing well-rounded individuals who can succeed."

To date, Halehale has earned 14 international caps for Guam, starting in eight of the 14 matches for the Matao.

Halehale made his debut on Sept. 2,

2018 as a substitute in Guam's match against the Northern Mariana Islands in the EAFF E-1 Football Championship Preliminary Competition Round 1 in Mongolia, just a few months after turning 16 years old. He next was selected as a starter for Guam's match against Macau-China on Sept. 4, 2018. He has also played in FIFA World Cup qualification matches.

Halehale captained Guam's U23 and U19 National Teams between 2018 and 2019.

Halehale is the son of Carlos and Mi Hae Halehale and has one brother, Sean, and one sister, Leia.
