GSWA PARTNERS WITH LOCAL UTILITY AGENCIES FOR GREATER PAYMENT OPTIONS

(Guam, May 26, 2022) – The Guam Solid Waste Authority (GSWA) today announced changes to payment method options for its residential collection customers that will take into effect on the May 31, 2022 invoice.

In an effort to provide greater convenience to customers, GSWA has partnered with the Guam Power Authority and the Guam Waterworks Authority (GPWA) to begin accepting payments for trash collection services effective **Monday, June 6, 2022**.

“We are excited to work with our fellow utility agencies and expand our partnership for the island’s residents,” said GSWA General Manager, Irvin Slike.

With this change, customers now have more options to choose from deciding where and how to make their payments.

Customers will notice that the new invoices dated **May 31, 2022** have a barcode feature which is necessary to make Solid Waste payments at GPWA. GSWA customers who do not have the most recent invoice with a barcode may obtain one by visiting or contacting GSWA Customer Service at 671-646-3111 or via email at customerservice@gswa.guam.gov.

Over the counter payments will no longer be accepted at Bank of Guam branches; however, customers can still use Bank of Guam’s Bill Pay Feature through the online banking services free of charge. Customers may also utilize the other payment options listed below.
