Community Development Block Grant - Disaster Recovery
Action Plan Substantial Amendment

The Guam Housing and Urban Renewal Authority (GHURA) through the U.S. Department of Housing and Urban Development (HUD) announced that Guam will receive \$500,825,000 in funding to support long-term recovery efforts following Typhoon Mawar (DR-4715-GU). The Community Development Block Grant-Disaster Recovery (CDBG-DR) program, administered by GHURA, has drafted its Substantial Amendment to its CDBG-DR Action Plan, which will support housing, infrastructure, economic revitalization, and disaster mitigation, ensuring long-term resilience and sustainability.

GHURA has made available the Substantial Amendment to its Action Plan for public review and comments for 30+ days, beginning December 23, 2025 and concluding on January 23, 2026.

The Substantial Amendment details how funds will be used to address remaining unmet needs in Guam. The CDBG-DR Substantial Amendment to its Action Plan will be available electronically on the CDBG-DR website www.guamcdbgdr.org.

GHURA will host a public hearing at the Sinajana Learning Resource Center during the public comment period on January 7, 2026 at 10:00 AM.

Individuals or organizations wishing to comment on the CDBG-DR Substantial Amendment are encouraged to do so by attending the public briefing and submitting written comments to GHURA with notation of ATTN: CDBG-DR, Attn: Deputy Director Fernando Esteves by email to fixinsix@ghura.org, via facsimile at 671-300-7565 or physical letters submitted to the reception desk at GHURA main office between 8AM to 5PM, Monday through Friday.

All comments must be received no later than January 23, 2026 by 11:59 PM.

GHURA will make necessary arrangements for persons with disabilities or special accommodations. If you should require any special accommodations, please contact the Section 504 Coordinator at 671-475-9851 or 671-472-3701 (TTY/TDD) via email at fbesteves@ghura.org. GHURA will incorporate solutions for inclusion and accessibility for all public engagement efforts to address barriers for individuals with disabilities, non-English speakers, and other vulnerable populations. GHURA will hold the public hearing in a place accessible to persons with restricted mobility, with special attention to locations serviced frequently by public transit. A portable Phonic Ear system for the deaf will be available if requested at least 5 days in advance. Staff will assist persons with visual impairment by reading material to them on request. Accommodations for populations with Limited English Proficiency (LEP) include on-site translation services for public hearings and public notices or postings of the Citizen Participation Plan, Action Plan, Substantial Amendments, and all other CDBG-DR required documentation in alternate languages.
