DPHSS Announces Back-to-School In-Reach Clinics at Community Health Centers

Hagåtña, Guam – The Department of Public Health and Social Services (DPHSS), Guam Community Health Centers (CHC), invites families to participate in its Back-to-School In-Reach Clinics, offering childhood vaccinations, school physical exams, and select adult vaccinations to help the community stay healthy and prepared for the upcoming school year.

“Preparing for the school year goes beyond school supplies. It starts with a child’s health,” said DPHSS Director Theresa C. Arriola. “These in-reach clinics create a clear and accessible way for families to complete the necessary school vaccination requirements while also supporting the health of those who care for them.”

Available Services Include:

School Required Child Vaccinations:

Additional routine childhood vaccinations may be available, as appropriate.

- Services are available for children ages 4 years old – 18 years old regardless of insurance coverage and those uninsured. Parents, legal guardians or authorized adults must bring a photo ID, child’s birth certificate, and the child’s shot record.
- Guardians must present either legal guardianship, power of attorney documents, or written authorization from the parent.
- Minors must be accompanied by an adult at all times.

Additional Services:

Adult Vaccinations:

Adults must bring a valid photo ID and current shot record (yellow shot card if available). Vaccines available for eligible adults include:

- Influenza (flu) vaccine
- Tetanus, diphtheria, and pertussis (Tdap)
- Hepatitis B vaccine
- Pneumococcal vaccine (for eligible adults)

Event Locations:

Northern Region Community Health Center (NRCHC)
520 W. Santa Monica Avenue, Dededo, GU 96929

Southern Region Community Health Center (SRCHC)
162 Apman Drive, Inalåhan, Guam, 96915

In-Reach Schedule (Saturdays from 10:00 a.m. – 3:00 p.m.):

On the day of the event, registration for vaccinations and services will end at 2:00 p.m. or while supplies last.
