April 3, 2026

### **DPHSS to Host April Health Fair in Tumon**

Hagåtña, Guam – The Department of Public Health and Social Services (DPHSS) invites the community to attend its April Health Fair on **Wednesday, April 22, 2026** from **10:00 a.m. to 1:00 p.m.** at the Governor Joseph Flores Memorial Park (Ypao Beach) Main Pavilion in Tumon.

In recognition of Public Health and Social Services Month, this health fair brings DPHSS programs and community partners together to connect with the public and provide vital health resources.

Attendees can receive free blood pressure and glucose screenings, talk to program representatives, and learn about services that support everyday health and well-being. Through this outreach, the Department advances its mission to support individuals and families in achieving greater independence and self-sufficiency in their health.

Held on Earth Day, April 22, 2026, the health fair is a registered event with the Guam Visitors Bureau's April Welcome to Wellness initiative, reflecting a shared commitment to healthier communities across the island.

This event is open to the public, including residents, the hospitality workforce, and visitors in the area. A follow-up press release will provide additional details on services and participating partners.
