TYPHOON PREPAREDNESS NO. 2026-01 (UPDATE)**

April 12, 2026

***Public Health Community Health Centers Preparing for Activation Ahead of Typhoon Sinlaku***

Hagåtña, Guam – The Guam Department of Public Health and Social Services (DPHSS) advises the community that, upon declaration of Condition of Readiness (COR) 2, the Northern Region Community Health Center (NRCHC) and Southern Region Community Health Center (SRCHC) will be open. Regular clinic appointments scheduled during the typhoon period will be rescheduled.

Provider coverage and staffing plans are in place to support continuous operations. Medications have been secured and refrigerated supplies are being monitored with confirmed backup power.

Services that will be provided at the Community Health Center:

- Non-Emergency Care: For minor, non-urgent and urgent but stable patients.
- Medical Services: Basic medical care and nursing services.
- Oxygen Support: Available for oxygen dependent patients. Patients must bring their own portable O2 concentrator & nebulizer. Only one (1) companion is allowed per patient; Two (2) chairs will be provided, one (1) for the patient and only one (1) for companion.

Patient Reminders:

- Clinic Pharmacy services will be closed. Only emergency medications to manage urgent care needs are available.
- Bring healthcare insurance information
- Bring all maintenance and over the counter medications, medical supplies, and personal equipment for you and one (1) companion. To include food (NO cooking on premises), water, and a change of clothing for 3 days.
- Services are first come, first served. Delays may occur

DPHSS encourages all residents to prepare early, secure essential medications and supplies, and continue monitoring official updates as conditions develop.

**For Emergency or life-threatening conditions call 911.**
