MEDICAL CARE & HEALTH EDUCATION

Medical Care

Residents are strongly encouraged to visit the DPHSS Guam Community Health Centers for medical care before going to the hospital, unless it is an emergency.

Community Health Centers are **open and available to care for patients with non-life-threatening conditions** to help reduce congestion at the hospital during recovery efforts.

Our Community Health Centers provide doctor visits, children's care, women's health services, vaccinations, mental health support, laboratory services, and pharmacy services. **All insurance plans are accepted**, including Medicaid, and **patients without insurance will not be turned away**.

Health Education

- Diabetes Prevention and Control education
- Tobacco and Nicotine Cessation education
- High Blood Pressure Prevention and Control education
- Eligibility assessment for Breast and Cervical Cancer Screening Program
- Sexually transmitted infections (STI) and HIV education
