**Guam to Gather in Honor of Cancer Survivors and the Support Networks Behind Them**

*Community invited to attend the Guam Cancer Survivorship Week Proclamation Signing on June 5*

Hagåtña, Guam — The Department of Public Health and Social Services' Guam Comprehensive Cancer Control Program in partnership with the Guam Comprehensive Cancer Control Coalition, invites the community to attend the Guam Cancer Survivorship Week Proclamation Signing on **Friday, June 5, 2026**, starting 1:30 p.m. at the large conference room of the Ricardo J. Bordallo Governor's Complex, Adelup.

The Proclamation Signing will recognize and honor Guam's cancer survivors, as well as the families, caregivers, and support networks who stand beside them. This annual observance highlights that survivorship is more than a statistic—it is a testament to resilience, community support, and the ongoing efforts to ensure that individuals diagnosed with cancer have access to improved, longer, and healthier lives.

The event reaffirms the island's commitment to strengthening resources, raising awareness, and fostering collaboration across organizations dedicated to cancer prevention, treatment, and survivorship.
