### **DPHSS Announces Temporary Closure of Health Professional Licensing Office on June 19**

Hagåtña, Guam – The Department of Public Health and Social Services (DPHSS) advises the public that the Health Professional Licensing Office (HPLO) will be temporarily closed on **Friday, June 19, 2026**, from 8:00 a.m. to 5:00 p.m.

The temporary closure will allow HPLO staff to facilitate and support the National Nurse Aide Assessment Program (NNAAP) examinations, commonly known as the Certified Nursing Assistant (CNA) examination.

During the closure, HPLO services will not be available to the public. Regular office operations will resume on **Monday, June 22, 2026**.

The NNAAP examination is a critical component of the certification process for individuals seeking to enter Guam's healthcare workforce as Certified Nursing Assistants.

DPHSS appreciates the community's understanding as HPLO staff assist with this important examination process. Supporting the development of qualified healthcare professionals helps strengthen Guam's healthcare system and supports continued access to essential services for island residents.
