June 16, 2026

DPHSS WIC Clinics to Close Temporarily for Emergency Preparedness Training

Friday, June 26, 2026 | Services unavailable from 8:00 a.m. to 1:00 p.m.

Hagåtña, Guam – The Department of Public Health and Social Services (DPHSS) advises WIC participants that all Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) clinic locations will be temporarily closed from 8:00 a.m. to 1:00 p.m. on **Friday, June 26, 2026**, while staff participate in the mandatory Active Shooter Response Training.

The training is part of DPHSS' ongoing commitment to workplace safety and emergency preparedness, helping staff maintain the knowledge and skills necessary to respond appropriately during critical incidents.

WIC services will resume following the training. To minimize disruptions, WIC staff are reaching out directly to clients with appointments affected by the temporary closure to assist with rescheduling. Clients who have questions or require additional assistance are encouraged to contact their WIC clinic.

For more information, please contact the following WIC clinic locations:
