Town Hall Discussions on Medicaid Home & Community-Based Services (HCBS)

The Guam Department of Public Health and Social Services (DPHSS) invites the public to attend upcoming town hall sessions to learn more and provide input about Guam's application to provide **Medicaid-funded Home and Community-Based Services (HCBS)** and to share your input.

These services support individuals in receiving care in their homes and communities rather than institutional settings. Your feedback is vital in shaping this important program.

Please find more information, including the full 1915(c) HCBS waiver application, on the DPHSS website: <https://dphss.guam.gov/reports-resources>. You can also submit questions or comments to: publiccomment@dphss.guam.gov.

There are three town hall options to choose from to share your questions and ideas with DPHSS:
